RE: 2021 Water Main Replacement Program

Dear Resident:

The contractor has successfully completed paving the roadway on the east side of Christine Court, and has begun preparing the sidewalks and driveways on the east side of the road. Weather permitting, the contractor will pave the driveway approaches and sidewalk on the east side of the road on Thursday, August 12. Once the new sidewalk and driveways on the east side are paved, the concrete will cure for 5 to 7 days before allowing cars into driveways.

Once the new driveways on the east side of the road are opened to traffic, the residents along the east side of Christine Court can resume parking in driveways, and the contractor will begin removing pavement on the west side of Christine Court.

Prior to removing pavement on the west side of Christine Court, residents along the west side of Christine Court will need to remove vehicles from driveways. Further notice will be provided prior to the start of pavement removal.

GENERAL CONSIDERATIONS

Please place garbage curbside by 7:00 a.m. as normal. **Please place BAGS ONLY at the curb in order to facilitate garbage removal during construction.** Recycling and brush will not be picked up curbside during construction. Residents may bring their recycling to the DPW at 1200 Parkway Drive, Monday through Friday between 7:00 a.m. and 4:00 p.m.

Please note, the contractor is responsible to maintain access for emergency vehicles throughout construction. However, in order to reduce the potential for incidents, the Public Safety Department has asked to please refrain from using fire pits and chimneys during construction.

If you have any concerns or special needs during construction, please contact the onsite representative from the City's Consultant Anderson, Eckstein and Westrick, Inc. (AEW), Randy Smith. Questions regarding construction operations should be directed to the attention of AEW at (586) 726-1234. Please direct any other questions to the Department of Public Works (313) 343-2460.

Very truly yours,

CITY OF GROSSE POINTE WOODS

Frank Schulte, Director of Public Services
