Lake Front Park Aquatic Facility 2020

The Grosse Pointe Woods Aquatic Facility at the Lake Front Park opened on Wednesday, July 1, 2020. The health and safety of our staff and residents is high priority. Residents are asked to review the policies and procedures of operating the Aquatic Facility during the COVID-19 pandemic.

By the restrictive opening of the pool, the City of Grosse Pointe Woods does not represent that it is safe, or that there is not a risk of contracting COVID-19 by use of the Aquatic Facility. Everyone using the pool, bathhouse, and any other park facilities does so at their own risk.

Who Can Use the Pool?

Due to limited pool capacity only residents are permitted to use the pool. Pre-registration is required to sign-up ahead for pool use. Residents are able to sign-up online (see page 2) or by phone during office hours starting one week in advance and are allowed two time slots per week.

Please note, residents must have a valid 2019 or 2020 park pass to enter the park. If you have already applied for your 2020 park pass, you may use your state issued ID with the Grosse Pointe Woods address to enter the park until your pass is mailed to you.

How Do I Apply For My 2020-2022 Park Pass?

Due to the COVID-19 situation, Parks and Recreation staff are mailing all approved park passes to the resident households. Residents can apply for park passes on line at the link below. Please allow up to three business weeks for processing 2020-2022 park passes. In the meantime, a valid state ID showing Grosse Pointe Woods residency -- such as a driver's license -- or your 2019 park pass can be used.

What Can I Expect When I arrive?

Staff members will be stationed in front of the bathhouse for residents to check-in ahead of time. During check-in, residents will be asked COVID-19 screening questions. At check-in residents will be handed a card with their time slot and number of approved pool patrons. The time slot card will be required upon entrance of the bathhouse.

All employees and residents will be required to wear a mask while inside the bathhouse facility, unless medical reasons restrict the wearing of a mask.

What are the Disinfecting and Cleaning Procedures?

- Locker rooms will be cleaned throughout the day by Triple F cleaning services.
- Handrails, ladder posts, door handles, and gate handles will be cleaned regularly throughout the day.
- Cleaning stations will be on the pool deck for residents to use to wipe down deck chairs and lounges.

How Can I Prepare to Use the Facilities?

Residents are encouraged to:

- Bring portable chair (a limited number of deck chairs will be available).
- Come dressed in bathing suits to utilize the pool.
- Bring a full water bottle to avoid touching the tap or water fountain (no glass bottles).
- Bring a minimum amount of personal belongings to the pool (use of lockers is not encouraged).
- Should not share personal belongings such as sunscreen or swim equipment.
- Bring swim equipment from home (goggles, kick boards, pull buoys, etc.).

What Practices Should I Follow While on the Deck and in the Pool?

- All swimmers must remain 6 feet apart from others not from the same household at all times.
- Avoid touching your face while in and out of the water.
- Wash your hands or use hand sanitizer promptly after swimming
- Residents will be required to maintain social distancing of 6 feet from anyone not from their household.
- In order to properly social distance, residents are asked to leave one square of concrete decking between households.
- Both adults and children will not be allowed to congregate on the steps and ramp leading into the pool. This area needs to remain clear so that all patrons can safely access the pool.
