

**City of Grosse Pointe Woods
Millage Rate Comparison
2008 vs 2009**

Listed below is a comparison of the summer millage rates for the years 2008 and 2009. The millage listed under street repair has been added to the city operating for 2009. The difference between 2008 and 2009 total City millage is the 1.75 mills approved by City Council at a public hearing on May 18, 2009.

The winter tax bill includes millage for Wayne County, G.P. Schools and Milk River Drain. These rates will be available in the fall.
