Liz Gilbert had everything a modern woman is supposed to dream of—a husband, a house, and a successful career. Yet, like so many others, she found herself lost, confused, and searching for what she really wanted in life. Newly divorced and at a crossroads, Gilbert steps out of her comfort zone and risks everything to change her life. She embarks on a journey around the world and starts a quest for self-discovery. In her travels, she discovers the true pleasure of nourishment by eating in Italy; the power of prayer in India; and, finally and unexpectedly, the inner peace and balance of true love in Bali.
