

Lunch and a Movie!

“Julie & Julia”

Tuesday, March 15, 2011

Rated: PG-13

Running Time: 123 minutes

Starring: Meryl Streep and Amy Adams

A frustrated temp secretary named Julie embarks on a year-long culinary quest to cook all 524 recipes in Julia Child’s “Mastering the Art of French Cooking.” She chronicles her trials and tribulations in a blog that catches on with the food crowd. The film also covers the years Julia Child and her husband spent in Paris during the 1940’s and 1950’s, when she was struggling to create her first cookbook. The stories of these two strong women intertwine as they forge to define themselves through their love of food and writing.

Meryl Streep won the 2010 Golden Globe for best performance by an actress in a motion picture.
