The regular meeting of the Committee-of-the-Whole reconvened at 7:29 p.m.

The Chair declared a recess at 7:29 p.m., and reconvened at 7:41 p.m.

Mark Hurst and Kari Shea from Plante Moran were now in attendance. A draft Letter of Transmittal and Comprehensive Annual Financial Report (CAFR) were reviewed by the Committee with responses to questions provided Mr. Hurst and Ms. Shea. A final version of these documents will be provided this week. One item discussed was regarding the cost savings from contracting with Medstar originally anticipated at $600,000, showed actual savings proving to be closer to $400,000. The Mayor asked questions and for clarification on a number of items on the auditor's letter. Responses were provided.

Ms. Shea provided an overview regarding GASB 67 pertaining to adjustments/disclosures. This information will be more easily available and reported with a new fiduciary.

Plante Moran provided an overview of the audit report and discussed the Comprehensive Annual Financial Report for the Fiscal Year ended June 30, 2014, as well as the attached transmittal letter. The Treasurer/Comptroller confirmed that $50,000 was budgeted for uninsured resident's Medstar bills, and $40,000 remains. Changes for next year included adding the City Engineer and City Assessor ("Acting") to the flow chart, which are appointed by Council. Discussion ensued regarding the decrease in building permit revenue and whether two part-time employees are needed. The City Administrator was asked to provide additional information.

Ms. Shea discussed the Statement of Net Position 06/30/14 - Page 13. She stated that the deficit in unrestricted liability is caused by the unfunded OPEB liability, which is not unusual. If the required payment according to GASB, $17,000,000, were removed, the City would no longer show a deficit. The total OPEB liability is $52,000,000. The Treasurer/Comptroller was asked to look at whether there is an advantage to paying auditing fees for pension review from the Pension Fund.

Ms. Shea then discussed Governmental Funds Balance Sheet 06/30/14 - Page 16. She stated that if Fund Balance-Unassigned (cable) was backed out, total liabilities and fund balances would be a little above thirty percent, which is a good position. There have been no large changes in the General Fund.

Motion by Bryant, seconded by Ketels, that this item be removed from the Committee-of-the-Whole.
Motion carried by the following vote:
Yes: Bryant, Granger, Ketels, Koester, McConaghy, Novitke, Shetler

MEMORANDUM

Date: December 9, 2014

To: Mayor and Council

From: Al Fincham, City Administrator
Dee Ann Irby, Treasurer/Comptroller

Subject: Non-Union Employees, Department Heads, City Administrator, Treasurer/Comptroller, and City Clerk Service Loyalty Stipend and Pay Raise.

The City is currently in negotiations with our three (3) of our four (4) unions whose contracts expired on June 30, 2014. Police Officers Labor Council (P.O.L.C./Command) was approved by City Council on December 1, 2014. We are negotiating a two (2) year contract with each of the following; Police Officers Association of Michigan (P.O.A.M/Patrol.), Technical Professional and Office Workers Association of Michigan (T.P.O.A.M./DPW and Clerical) and Police Officers Labor Council (P.O.L.C./Dispatch). Each of these unions has been offered a Service Loyalty stipend the first year ($1,000 full-time & $500 part-time employees) and a 2% raise the second year (full-time & part-time employees) effective July 1, 2015.

Wanting to recognize the dedicated non-union employees, including Department Heads, City Administrator, City Clerk and Treasurer/Comptroller who have also undergone wage freezes and cutbacks in benefits, we are recommending that they also be given a Service Loyalty stipend the first year ($1,000 full-time & $500 to certain part-time office/clerical staff, as determined by the City Administrator but estimated at four) and a 2% raise the second year (full-time & certain part-time office/clerical staff as determined by the City Administrator, but estimated at four) effective July 1, 2015.

Nothing else would change under the non-union employees current benefits other than the Service Loyalty and 2% raise. Following for your information are the proposed and existing benefits that would continue for the duration of the union contracts to be in effect from July 1, 2014 to and including June 30, 2016.

1. Effective December 1, 2014, all full-time employees, including Department Heads, City Administrator, City Clerk and Treasurer/Comptroller will receive a service loyalty stipend of $1,000 and certain permanent part-time office/clerical staff, estimated at four, but determined by the City Administrator, will receive a $500 Service Loyalty stipend, less appropriate payroll taxes.

2. Effective July 1, 2015 a (2%) two percent pay increase in base wages/salary for non union full time employees including Department Heads, City Administrator, City Clerk and Treasurer/Comptroller as well as certain permanent part-time office/clerical staff as determined by the City Administrator, but estimated at four.

3. Continue five (5) unpaid furlough days during fiscal years 2014-2015 and 2015-2016. (see page 3).

4. Retiree healthcare contributions of gross pay, as set forth below, shall continue as they have since the payroll period following April 5, 2011. Employee contributions shall be placed in a retiree healthcare arrangement as determined and adopted by the City. This provision applies to employees hired prior to August 1, 2008.
