Grosse Pointe Woods City Charter Amendment	
The Grosse Pointe Woods City Charter was adopted by the electors in 1950. Since then, the title of City Manager has become more commonly used and understood than the title of City Administrator, which is currently used in the City Charter. The City Administrator supervises all department heads and city employees. An ordinance amendment in 2022 also increased the duties of the City Administrator to include supervision of the City Clerk and the Treasurer/Comptroller. The proposed amendment will change the title of City Administrator to City Manager throughout the City Charter.
