Lake Front Park Marina Fees

CITY OF GROSSE POINTE WOODS CLERK'S DEPARTMENT

A recent survey of the Grosse Pointe Marinas show that Grosse Pointe Woods is charging significantly less for boat wells than the other Grosse Pointe marinas. Based on this survey we would like to suggest for the next year (2020) increasing the fees 5% and the following four years (2021-2025) increasing the marina fees 3%.

| Boat Well Size | Current Fee | 2020 Proposed Fee | Projected Revenue Increase for 2020 |
|------------------------------|-----------------|----------------------|--|
| Wet Well 1 (Docks under 21') | \$670 | \$703 | \$462.00 |
| Wet Well 2 (Docks 21'-25') | \$735 | \$771 | \$1,400.00 |
| Wet Well 3 (Docks 25'-28') | \$850 | \$892 | \$5,334.00 |
| Dry Dock | \$525 | \$551 | \$286.00 |
| Kayak Rack | \$185 | \$194 | \$576.00 |
| Floating Docks | \$475 | \$498 | \$529.00 |
| Winter Storage | \$275 | \$288 | \$455.00 |
| Kayak Winter Storage | \$75 | \$78 | \$24.00 |
| | Projected Total | Revenue Increase | \$9,106.00 |

Since the last time the marina fees have been increased (2018) the following updates have taken place:

- New power pedestals
- New waterline
- Raised docks due to water level

Recommendation - AEW Design Fees for 2019 Water Main Improvement Project

As discussed at the February 11, 2019 Construction Committee meeting, Scott Lockwood and I developed a "needs" list to replace ageing water main infrastructure in the city. The recommended capital improvement projects for 2019 includes the replacement of the 8 inch water main on Bournemouth, Raymond, Linville, Kingsville, and easement water mains that run between homes on South Renaud, North Saddle Lane, and Lakeshore Lane. Attached is a proposal of services from AEW for the 2019 water main project.

Estimated Construction and Engineering Cost Table

| Construction Cost | \$1,140,000.00 |
|--------------------------|----------------|
| Design Engineering | \$70,000.00 |
| Construction Engineering | \$215,000.00 |
| Total Engineering | \$285,000.00 |
| Total Project | \$1,425,000.00 |

The construction cost of this project is estimated at \$1,140,000.00. The cost of design and construction engineering is \$285,000.00. The total cost of this project to the City of Grosse Pointe Woods is estimated to be \$1,425,000.00.

To move forward and begin the 2019 Water Main Improvement Project in the 2019 construction season, I am recommending that council approve funds for soliciting bids and design engineering that will be provided by Anderson, Eckstein and Westrick, Inc., 51301 Schoenherr Rd., Shelby Twp., MI 48315 in an amount not to exceed \$70,000.00. This is a budgeted item in the 2019/2020 fiscal year budget in water/sewer water main engineering account no. 592-537-977.310.

AEW Project 0160-0417

Dear Mr. Schulte:

The estimated construction cost for the Bournemouth, Kingsville, Linville and Easement Water Main Replacement projects is \$1,140,000. The estimated cost of design engineering is \$70,000 and construction engineering is \$215,000. Therefore we recommend a total budget for this project of \$1,425,000.

In order to have the project ready for construction this winter, design of this project must be completed as soon as possible. The design engineering fee based on our existing Engineering Services Agreement is 6.1% of \$1,140,000 which equals \$70,000. I suggest we get this amount authorized by Council at this time and the construction engineering approved after bids have been received. Please contact me if you have any questions.

Sincerely,

Scott Lockwood, PE

FY 2019 - 20 Parks Budget Amendment

AUG 1 G 119

CITY OF GROSSE TO THE WOODS

CLERK'S DEPARTMENT

During the budget process for fiscal year 2019 – 20, administration removed \$9,500.00 in requested funds from budget line 101-775-818.000, Contractual Services. These funds were budgeted by the Parks Department for turf fertilizing and pest management at the City parks. Administration believed that this was a task that could be taken over in-house by Public Works staff. In addition, on May 20, 2019, the City Council approved a three-year contract with Marshall Landscape to provide these services along Mack Avenue and Lake Front Park. The parks specifically serviced for this budget amendment request include: Chene-Trombly Park, Ghesquiere Park, Jules De Porre Park, and Sweeney Park.

Since that time, administration believes that it would be in the best interest of the City to continue to maintain a professionally trained technician to administer this type of service to city property. On May 20, 2019, the City Council approved a three-year contract with Marshall Landscape to add the addition of Vernier Road and Lake Front Park and per Director Schulte, they will be utilized for these parks as well. The amendment would be a slight decrease from the requested budget of \$8,100 for all four parks. These funds would be taken from the general fund balance account 101-000-695.000, Prior Yr. F/B Trans and moved to 101-775-818.000, Parks Contractual Services.

Recommend approval of the above stated and do not believe any benefit will accrue to the City by seeking further bids.

Repair Parking Lot Brick Walls

The City of Grosse Pointe Woods has 14 parking lots. Nine of the parking lots have a decorative brick wall around the perimeter of the lots. After completing a survey of the parking lots last fall, it was determined that all the brick walls were in need of serious maintenance. The brick walls at the Anita Parking Lot are in the worst shape and will require large sections of the walls rebuilt. Attached are photos of the Anita Parking Lot. I have met with three contractors, evaluated the brick walls throughout the city parking lots, and received the following quotes for repair and replacement as needed.

| DSA Contractors, Inc. | \$32,880.00 |
|----------------------------|-------------|
| Mike Thompson Construction | \$33,234.00 |
| NMS Brick & Concrete | \$47,100.00 |

DSA Contractors, Inc. submitted the lowest quote in the amount of \$32,880.00. They have completed other brick repair and replacement projects in the Grosse Pointe area and their work has been satisfactory.

Therefore, I am requesting Council to authorize the repairs to the parking lot brick walls to DSA Contractors, Inc., 30005 Little Mack, Roseville, MI, 48066 in the amount of \$32,880.00. I further recommend a contingency in an amount not to exceed \$4,000.00 for any unforeseen complications should they arise. The total project will not exceed \$36,880.00. This is a budgeted item included in the 2019/2020 fiscal year budget in the parking contractual services account no. 585-561-818.000.
