Date:	June 3, 2013
Subject:	Request for confirmation of appointee to Deputy City Assessor position

It is my pleasure, with the confirmation of City Council, to appoint Lester Gerald "Jerry" Jackson, Jr., as Deputy City Assessor for the City of Grosse Pointe Woods. Jerry has been working with the Assessing Department on a contractual basis since November of 2012. He has been instrumental in ensuring a smooth transition in the department, bringing to closure a backlog of Michigan Tax Tribunal Small Claims Division assessment appeals, and working with WCA Assessing field personnel to facilitate their workflow on the residential reappraisal project.

Jerry holds a Michigan Advanced Assessing Officer [MAAO (3)] certification from the State Tax Commission and has 25 years of experience in the field of assessment administration, including prior employment with the Macomb County Equalization Department (1988-1989), the City of Madison Heights (1989-2002), and the City of Sterling Heights (2002-2012).

This request for confirmation does not amend Jerry's hourly rate of pay or amount of workdays per week, but effectuates a transfer from contractor status to part-time employee status. The approved Fiscal Year 2013-14 budget includes continued funding for the services performed.

In accordance with the Code of the City of Grosse Pointe Woods:

The Committee then began to discuss **Retiree Health Care and the Employee Handbook.** The City Attorney provided an overview by discussing changes that were made to the handbook with respect to retiree healthcare, and the differences between the handbook and the TPOAM contract. In order to save on legacy costs, the handbook changed nonunion, salaried staff to an HSA (at a cost of \$1,800 per year times the number of years worked) for employees hired after August 1, 2008, which date was established by using the first day of the next month following the last employee's date of hire, that being July 7, 2008, at the time the handbook was being revised. The TPOAM contract establishes a July 1, 2007, hire date. Two employees were hired after July 1 under the Retiree Health Care provision, not HSA, the Treasurer/Comptroller and Deputy Clerk.

The Deputy Clerk is requesting to participate in the HSA group; the Treasurer/Comptroller wishes to remain under the current Retiree Health Care program, the one under which they were hired.

The City Attorney stated that the City cannot treat two employees differently due to potential legal ramifications, and if the date in the handbook were to change to July 1, it must be retroactive back to the date of hire, which would be a cost to the City of \$10,800 per employee.

Establishing an HSA group was for the purpose of cutting legacy costs and is a program that is not as good for the employee as the current retiree healthcare program.

The Deputy Clerk provided an overview basically recapping her memo. She stated her intent was not to change the benefits of the Treasurer/Comptroller, but to ensure her own family's benefits as much as possible.

It was confirmed that when both employees were hired, the retirement health care plan they were hired under is what they have currently; the policy written in the handbook does not take away a benefit that they received previously upon hire.

Following discussion, there was a consensus of the Committee to not change the date in the employee handbook; remaining August 1, 2008.

Motion by Granger, seconded by Shetler, that Retiree Health Care and the Employee Handbook be removed from the Committee-of-the-Whole agenda.

Motion carried by the following vote:

Yes: Bryant, Granger, Ketels, Koester, McConaghy, Novitke, Shetler No: None Absent: None

The following items were discussed under New Business:

- Gary Abud Michigan Teacher of the Year signage is to be placed at two entrance ways into the City. There was a concurrence of the Committee not to exceed a cost of \$750 per sign, and sign verbiage is to be sent to Council for review.
- A complaint was received regarding pending sod replacement since July. The Director of Public Services stated he will have sod replaced this week.
- A standing water complaint. The City Administrator is addressing the matter.
- The item regarding use of rubbish containers is scheduled for a future Committee-of-the-Whole meeting. Administration was requested to provide costs and comparisons to the other Grosse Pointes.

Motion by Bryant, seconded by Ketels, that the meeting of the Committee-of-the-Whole be adjourned at 9:05 p.m. PASSED UNANIMOUSLY.

Respectfully submitted,

Lisa Kay Hathaway City Clerk

Hello Eric:

I want to thank you and the wonderful people on the Beautification Advisory Commission for making me welcome and helping me learn about all of the community service opportunities the City of Grosse Pointe Woods has to offer. I find that I am unable to continue my formal efforts on behalf of the BAC; but will certainly do what I can to encourage beautification efforts.

Would you please let the Commission members know that I so appreciate the friendships I have made and look forward to seeing each of them at events and venues throughout the Pointes. I wish health and happiness to one and all.

Sincerely,

Joan Gossman

The Grosse Pointe Chamber of Commerce is asking the city to participate in the Grosse Pointe Hometown Parade by making a contribution to the event. In the past, the city has participated in this event; however, it was formally coordinated by the Grosse Pointe Village Association and titled the Grosse Pointe Santa Claus Parade.

I recommend that City Council authorize the city to participate in the Grosse Pointe Hometown Parade as a Gingerbread Sponsor, with a donation from the city in the amount of \$1,000. This is not a budgeted item in the 2013/14 budget; however, there are funds available in the Special Projects account #101.101.957.000.

CITY OF GROSSE PTE. WOODS

CITY OF GROSSE POINTE WOODS INFORMATION TECHNOLOGY MEMORANDUM

DATE: June 6, 2013

TO: Alfred Fincham, City Administrator

CC:

Gary Capps, Information Technology Manager 1/2, FROM:

SUBJECT: Verizon Business ISP Renewal

I would like to request renewal of our contract with Verizon Business, our Internet Service Provider (ISP). Currently we are paying \$760/mo (local loop nearly \$500 mo from AT&T included in price) which is a budgeted item. Under the new renewal agreement all installation fees are waived, local loop is included for a 3 year term at \$678/mo, a savings of over \$82/mo from our current rates. This pricing is Verizon Business is most aggressive at 52% off MRC and is comparable to Mi-Deal pricing.

Verizon Business provides the City with our Public IP address scheme 63.82.71.0/26 which contains 64 public IP addresses for the City to utilize. Verizon Business is the holder of our HOST and MX records for routing of Web, FTP, and Email traffic and they also spool our email if our systems are offline for any reason. They have been our ISP for over 10 years. During this time we have never had any issue getting support or had any extended outage; in fact we have only experienced 3 outages during this time. Our vendors also use these public IP addresses for access to their hardware/software for maintenance purposes, and remote access to heating and cooling equipment. Our Internal firewall policies are all configured based on this current IP address scheme. Our residential water meter gateways also use this service to report reads to the server at City Hall. All credit card transactions as well as our Payroll system utilize this service. From a technical standpoint there is a huge advantage in staying with our current ISP since no firewall rules will need to be re-configured and IP addresses will not need to be re-assigned to vendors, no software services will need to be re-configured, and there will be no need to re-populate our HOST and MX records throughout the Globe.

The 2013-2014 budget for Internet services is spread across various funds under the contractual services line item #818.

I recommend that Council approve Contract ID: 686713-01, not to exceed \$8200/ year, with Verizon Business Government and Education Segment to provide Internet service to the City of Grosse Pointe Woods for a 3 year renewal period, subject to this amount being budgeted in future budgets, and authorize the City Administrator to sign the Business Service Agreement.

Acceptance Date

General Terms and Conditions

This Verizon Business Service Agreement ("Agreement") is made by and between "Verizon," which refers to Verizon Business Network Services Inc., on behalf of MCI Communications Services, Inc. d/b/a Verizon Business Services and any other Verizon affiliates identified in applicable service attachments or the Guide (individually and collectively), and City of Grosse Pointe Woods ("Customer"). The pricing in this Agreement is effective either: a) when Service (defined below) is installed if Customer has no Verizon service at the time this Agreement is accepted by Verizon or b) otherwise, by the first day of the second full billing cycle following acceptance of the Agreement by Verizon, except where a Service Attachment indicates otherwise for a particular service ("Effective Date"). Verizon acceptance occurs upon Verizon's verification that an unaltered Customer-signed document is received by a Verizon implementation center.

Customer Consent to Use of Customer Proprietary Network Information ("CPNI"). Verizon acknowledges that it has a duty, and Customer has a right, under federal and/or state law to protect the confidentiality of Customer's CPNI. CPNI includes information relating to the quantity, technical configuration, type, destination, location, and amount of use of the telecommunications and interconnected voice over Internet Protocol services Customer purchases from Verizon, as well as related local and toll billing information, made available to Verizon solely by virtue of Customer's relationship with Verizon. With Customer consent, Verizon may share Customer CPNI and other Confidential Information among its affiliates, including Verizon Wireless, and with agents and partners, so that all may use this information to offer Customer the full range of products and services offered by Verizon and its affiliates, including local, long distance, wireless, and Internet services (see www.verizon.com for a description of Verizon companies and services). By signing this Agreement, Customer consents to Verizon using and disclosing Customer CPNI as described above. Customer may refuse CPNI consent by signing this Agreement and by notifying Verizon in writing at cpni-notices@verizonwireless.com and cpni-notices@verizonbusiness.com of Customer's decision to withhold Customer's consent. Customer's consent or refusal to consent will remain valid until Customer otherwise advises Verizon, and in either case, will not affect Verizon's provision of service to Customer.

ILECS and Verizon Wireless. The Terms and Conditions below do not apply to Services provided by Verizon incumbent local exchange carriers ("ILECs") or by Cellco Partnership and its affiliates d/b/a Verizon Wireless ("Verizon Wireless"), which are governed solely by the Service Attachments for such Services and, in the case of ILEC Services, applicable Tariffs (defined below). A Verizon Wireless Service Attachment becomes a part of this Agreement only once it is executed by Verizon Wireless and the Customer.

- 1. Services. Verizon will provide the products and services ("Services") in the Services Attachments.
 - Network Access
 - Internet Dedicated Services
- 2. Term and Survival. The "Initial Term" begins upon the Effective Date and ends upon completion of 36 months, at which time the Agreement is automatically extended ("Extended Term") on a month-to-month basis until either party terminates it upon 60 days' prior written notice. The terms of this Agreement will continue to apply during any service-specific commitments that extend beyond the Term. "Term" means the Initial Term and Extended Term.

- 3. Tariff and Guide. Verizon's provision of Services to Customer will be governed by Verizon's international, interstate and state tariffs ("Tariff(s)"), its "Service Publication and Price Guide" ("Guide") at www.verizonbusiness.com/guide, and this Agreement. This Agreement incorporates by reference the terms of each Tariff and the Guide. Verizon may modify the Guide from time to time, and any modification will be binding upon Customer, as provided in the Guide. If a conflict arises, the order of precedence is: (i) Tariffs to the extent applicable (ii) this Agreement (excluding the Guide and Tariffs), and (iii) the Guide. Among the provisions of the Agreement, the order of precedence is: (i) Service Attachments, and (ii) these Terms and Conditions. If Verizon makes any changes to the Guide (other than to Governmental Charges) that affect Customer in a material and adverse manner, Customer may discontinue the affected Service without liability by providing Verizon with written notice of discontinuance within 60 days of the date the change is posted on the Website, unless within 60 days of receiving customer's discontinuance notice, Verizon agrees to remove the material adverse effect on Customer. If a Service is discontinued, Customer's AVC (defined below), will be reduced, as appropriate, to accommodate the discontinuance.
- 4. Rates and Charges; Governmental Charges; Taxes. Customer agrees to pay the rates and charges specified in this Agreement. "Standard" rates and charges means the Verizon Business Services III pricing plan ("VBS III"), where applicable. Except where expressly stated otherwise, all rates and charges are subject to change and 'fixed' rates may be decreased at any time. Verizon may give Customer notice of pricing changes by posting them on the Guide, by invoice message, or by other reasonable means. All charges are exclusive of applicable Taxes, and Verizon may add or adjust rates and charges in order to recover amounts it is required or permitted by governmental or quasi-governmental authorities to collect from or pay to others in support of statutory or regulatory programs ("Governmental Charges"). Customer will not be eligible to receive any other additional discounts, promotions and/or credits (Tariffed or otherwise). The rates and charges set forth in this Agreement do not include (without limitation) charges for all possible non-recurring charges, access service, local exchange service, charges imposed by a third party other than Verizon, on-site installation, Governmental Charges (defined above), network application fees, customer premises equipment or extended wiring to or at a Customer premises.
- 5. Minimum Annual Volume Commitment. Customer agrees to pay Verizon no less than \$7,500.00 (the "AVC") in Total Service Charges (defined below) in each twelve-month period during the Initial Term ("Contract Year"). "Total Service Charges" means all charges, after application of all discounts and credits, for the Services, excluding Taxes, Governmental Charges, equipment, Verizon ILEC, Verizon Wireless, Document Delivery Fax, non-recurring charges, goods and services acquired by Verizon as Customer's agent, international pass-through access (Type 3/PTT) and charges for international access provided by Verizon (Type 1), charges for security services provided by Cybertrust, Inc. or its affiliates set forth in the Guide as providers of Cybertrust security services, and other charges expressly excluded by this Agreement.
- 6. Underutilization and Early Termination Charges. If Customer's Total Service Charges do not reach the AVC in any Contract Year during the Initial Term, Customer shall pay an "Underutilization Charge" equal to 75% of the unmet AVC. If: (a) Customer terminates this Agreement before the end of the Term for reasons other than Cause; or (b) Verizon terminates this Agreement for Cause pursuant to the Section entitled "Termination; Disconnection Notice," then Customer will pay, within thirty (30) days after such termination: (i) an amount equal to 75% of the unsatisfied AVC remaining during the year of termination, and for each subsequent Contract Year remaining in the Term, plus a pro rata portion of any and all credits received by Customer.
- 7. Payment. Customer will pay all Verizon charges (except Disputed amounts) within 30 days of invoice date. Customer will pay a late payment charge equal to the lesser of: (a) 1.5% per month, (b) the amount indicated in a Service Attachment, or (c) the maximum amount allowed by applicable law. If Customer's account(s) reflect a credit balance, Customer must designate, in writing, within such 30 days the account(s) and charges to which such credit balances are to be applied; Verizon may elect to apply any undesignated credit balance(s) to the account(s) with the oldest unpaid charges. For the avoidance of doubt, the foregoing credit balances will only be applied to accounts for the same Customer entity. A "Disputed" amount is one for which Customer has given Verizon written notice, adequately supported by bona fide explanation and documentation. Any invoiced amount not Disputed within 6 months of the invoice date is deemed correct and binding on Customer. Customer is liable for all fees and expenses, including attorney's fees, reasonably incurred by Verizon in attempting to collect any charges owed under this Agreement.

a . .

- 8. Termination; Disconnection Notice. Either party may terminate this Agreement for Cause (excluding Verizon ILEC or Verizon Wireless Services, which are governed by the applicable Service Attachments). "Cause" means (a) Customer's failure to pay any invoice (excluding Disputed amounts) within 10 days of receiving notice that payment is overdue, or (b) for all other matters, breach by a party of a material provision of this Agreement that the breaching party has not cured within 30 days of receiving notice from the non-breaching party. Verizon may interrupt Service without notice if necessary to prevent or protect against fraud or otherwise protect Verizon's personnel, facilities or services. Customer must provide prior written notice for the disconnection of Service, as specified in the Guide. Notwithstanding such notice, Customer remains liable for any applicable early termination charges in this Agreement.
- 9. Protection of Customer CPNI and Provision of Customer CPNI to Authorized Customer Representatives.
 - 9.1. Verizon will protect the confidentiality of Customer CPNI in accordance with applicable laws, rules and regulations. Verizon may access, use, and disclose Customer CPNI as permitted or required by applicable laws, rules, and regulations or this Agreement.
 - 9.2. Provided that Customer is served by at least one dedicated Verizon representative under the Service Agreements (that can be reached by Customer by means other than calling through a call center) and as permitted or required by applicable law, Verizon may provide Customer CPNI (including, without restriction, call detail) to representatives authorized by Customer ("Authorized Customer Representatives" as defined below) in accordance with the following.
 - 9.3. Verizon may provide Customer CPNI to Authorized Customer Representatives via any means authorized by Verizon that is not prohibited by applicable laws, rules, or regulations, including, without restriction: to the Customer's email address(es) of record (if any) or other email addresses furnished by Authorized Customer Representatives, to the Customer's telephone number(s) of record or other telephone numbers provided by Authorized Customer Representatives, to the Customer's postal (US Mail) address(es) of record or to other postal addresses furnished by Authorized Customer Representatives, or via Verizon's on-line customer portal or other on-line communication mechanism.
 - 9.4. Authorized Customer Representatives include Customer employees, Customer agents, or Customer contractors, other than Verizon, who have existing relationships on behalf of Customer with Verizon customer service, account, or other Verizon representatives and all other persons authorized in written notice(s) (including email) from Customer to Verizon. Authorized Customer Representatives shall remain such until Customer notifies Verizon in writing that they are no longer Authorized Customer Representatives as described below. Customer agrees, and will cause Authorized Customer Representatives, to abide by reasonable authentication and password procedures developed by Verizon in connection with disclosure of Customer CPNI to Authorized Customer Representatives.
 - 9.5. Customer's notices of authorization or deauthorization must be sent to your service or account manager, and must contain the following information:

-- the name, title, postal address, email address, and telephone number of the person authorized or deauthorized

- -- that the person is being authorized, or is no longer authorized, (as applicable) to access CPNI
- -- the full corporate name of the Customer whose CPNI (and whose affiliates' CPNI) the person can access (or can no longer access, if applicable)
- 9.6. During the Service Agreements, Customer will at all times have designated, below, in an attachment containing the same data elements listed below, or in a separate writing sent to the service manager or account manager, up to three representatives ("CPNI Authorizers") with the power to authorize Customer representatives to access CPNI under this Agreement. Additions or removals of CPNI Authorizers will be effective within a reasonable period after Verizon has received a signed writing of the change, including the affected person(s)" name, title, postal address, email address and telephone number.

- 10. DISCLAIMER OF WARRANTIES. EXCEPT AS SPECIFICALLY SET FORTH IN THIS AGREEMENT, VERIZON MAKES NO WARRANTIES, EXPRESS OR IMPLIED, AS TO ANY VERIZON SERVICES, SOFTWARE OR DOCUMENTATION. VERIZON SPECIFICALLY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NONINFRINGEMENT OF THIRD PARTY RIGHTS, OR ANY WARRANTIES ARISING FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICE.
- 11. Disclaimer of Certain Damages/Limitation of Liability.
 - 11.1. Disclaimer of Certain Damages. No party to this Agreement is liable to any other for any indirect, consequential, exemplary, special, incidental or punitive damages, or for loss of use or lost business, revenue, profits, savings, or goodwill, arising in connection with this Agreement, the Services, related products, or documentation, even if the party has been advised, knew or should have known of the possibility of such damages. Nonetheless, each party is liable to the other for consequential damages resulting from its breach of confidentiality obligations under this Agreement.
 - 11.2. Limitation of Liability. Without limiting the provisions of the Disclaimer of Certain Damages sub-section above, the total liability of either Customer or Verizon in connection with this Agreement and the Services is limited to the lesser of (i) direct damages proven by the claiming part(ies) or (ii) the aggregate amounts paid by Customer to Verizon under this Agreement for the six months prior to accrual of the latest cause of action for which the limitation of liability under this sub-section is being calculated (excluding amounts for equipment and the Services of Verizon ILECs, Cybertrust, and Verizon Wireless). Verizon's liability with respect to individual Services may also be limited pursuant to other terms and conditions of this Agreement.
 - 11.3. Exclusions. The Limitation of Liability sub-section above does not limit (A) any party's liability: (i) in tort for damages proximately caused by its willful or intentional misconduct, or by its gross negligence, or (ii) where mandatory local law does not allow the limitation, (B) Customer payment obligations under this Agreement, (C) Verizon obligations to provide credits and waivers under this Agreement or (D) any party's indemnification obligations under this Agreement. The liability restrictions in this section apply whether liability is asserted in contract, warranty, tort or otherwise (including negligence, strict liability, misrepresentation, and breach of statutory duty). - 12. Confidential Information. Except as required by law or regulation, each party promises that during the Term and for three years after, it will use the other party's Confidential Information only for purposes of this Agreement, not disclose it to third parties except as provided below, and protect it from disclosure using the same degree of care it uses for its own Confidential Information (but no less than a reasonable degree of care). Such a party may disclose the other party's Confidential Information only to its employees, agents and subcontractors (including professional advisors and auditors), and to those of its Affiliates, who have a need to know for purposes of this Agreement, and who are bound to protect it from unauthorized use and disclosure under the terms of a written agreement at least as protective of Verizon as the related terms of this Agreement. In any case, a party is responsible for the treatment of Confidential Information by any third party to whom it discloses it under the preceding sentence. "Confidential Information" means information (in whatever form) (i) designated as confidential; (ii) relating to this Agreement or potential changes to it; (iii) relating to the party's business affairs, customers, products, developments, trade secrets, know-how or personnel; or (iv) received or discovered at any time that this Agreement is in effect, or otherwise in connection with this Agreement, by a party (including through an affiliate or other agent), which information should reasonably have been understood as Confidential Information of the Party (or one of its affiliates or subcontractors). either because of legends or other markings, the circumstances of disclosure or the nature of the information itself. In addition, information, whether or not Confidential Information, may be disclosed by a receiving party as may be required or authorized by applicable law. rule, regulation, or lawful process provided that the receiving party, to the extent practicable and permitted by applicable law, rule, regulation, or lawful process, first notifies the disclosing party in order to permit the disclosing party to seek reasonable protective arrangements. Confidential Information (excluding CPNI that is also Confidential Information) remains the property of the disclosing Party and, upon request of the disclosing Party, must be returned or destroyed at the end of this Agreement or the applicable Contract. If there is a breach or threatened breach of this confidentiality provision, the disclosing Party will be entitled to specific performance and injunctive or other equitable relief as a non-exclusive remedy. This clause does not prevent a Party from announcing the existence of the terms of this Agreement or the applicable Contract internally (e.g., to its employees and Affiliates). Verizon shall not be deemed to have received, obtained, discovered, processed, stored, maintained, or been given access to Customer Confidential Information solely by virtue of the fact that (i) Customer receives, transmits, obtains or otherwise exchanges such information through its use of the Services (including without limitation any of Verizon's voice, data, and/or Internet services included in the Services) or (ii) Verizon's Services to Customer may involve the hosting, collocation, transport or other similar handling of such information. Customer is responsible for taking steps to protect the confidentiality and integrity of information, including without limitation Customer Confidential Information, that it receives, transmits, obtains or otherwise exchanges with third parties through its use of the Services, by using, for example, encryption or other security measures for its network transmissions.

Each party represents and warrants that it will comply with all federal, state, and local laws applicable to the provision or performance of the Services under this Agreement. This Agreement is governed by the laws of the State of New York without regard to its choice of law principles. Non-U.S. Services are subject to applicable local laws and regulations in any countries where those Services originate or terminate, including applicable locally filed Tariffs. Any claim or dispute ("Dispute") arising out of or relating to this Agreement (other than claims relating to indemnification and equitable relief) must be resolved by binding arbitration of a single arbitrator under the rules of the American Arbitration Association at a mutually agreed upon location. The arbitrator must base his or her decision upon this Agreement and applicable law, and has no authority to order consolidation or class arbitration, or award punitive damages or any other relief beyond what the Agreement provides. The arbitrator must apply applicable statutes of limitation, subject to limitation of actions terms set forth in this Agreement. The parties agree that all Disputes must be pursued on an individual basis in accordance with the procedure noted above, and waive any rights to pursue any Dispute on a class basis, even if applicable law permits class actions or class arbitrations.

CITY OF GROSSE POINTE WOODS

MEMORANDUM

CITY OF GROSSE PTE. WOODS

Date: May 23, 2013

To: Mayor and Council

From: Al Fincham, City Administrator

Subject: Independent Contractor Agreement/Court Collections

Two years ago, the City entered into an agreement for a court collections officer for our Municipal Court. I am pleased to report that this endeavor has proven to be a very positive one. Since inception, the court collections officer has been successful in collecting approximately \$216,896.00 in outstanding fines and tax garnishments. Just this past year, outstanding fees were recovered through 108 tax garnishments and an additional 202 individuals were located with additional owed monies coming back to the City.

Additional duties of this position are to serve on court days as an officer of the court. This approach relieves the burden of either an overtime expense if staffing is not available in the police department or a reduced shift strength if staffing allows. As the court meets on average, 39 times each year, cost savings are also realized.

The court collections officer has also created a high profile warrant list for the police department. A warrant team then seeks out those on the list and brings them before the Court. Crimes typically range from misdemeanors to felonies and 48 individuals have been arrested through this approach. Restitution owed to crime victims is also recovered.

Court Administrator Susan Tobin has done an excellent job with her staff in coordinating this cost recovery effort. The court collections officer is agreeable to another contract and the exact same terms would apply in this new agreement as in the previous one.

The City Attorney has reviewed and approved the contract agreement for July 1, 2013 through June 30, 2014.

I recommend the attached contract be approved.

Dear Honorable Mayor and Council:

Subject: Worker's Compensation Renewal

The City's Worker's Compensation Insurance is currently underwritten by Citizens Insurance Company. Our three-year policy expires on July 1, 2013. We received notification that Citizens is no longer in the business of workers compensation insurance. Now, there are only two carriers remaining.

Our Insurance Agent received bids from Safety National Casualty Corporation and Midwest Employers Casualty Company. Each of the Companies offer a oneyear agreement. Although our experience is favorable, the lack of competition has increased the cost from \$54,114 for three years to \$50,465 for one-year. The bid prices are as follows:

	Employers Liability	
	Retention	Premium
Midwest	\$450,000	\$50,465
Midwest	\$500,000	\$44,979
Safety National	\$500,000	\$50,062

We recommend approval of a one-year agreement with Midwest Employers Casualty Company, effective July 1, 2013, with an excess limit of \$450,000 with a premium cost of \$50,465. There is \$20,000 in the FY 2013-14 budget spread across various funds (General, Major & Local Streets, Motor Vehicle, etc.) in account numbers ending in # 721.

We are also requesting a budget amendment to the FY 2013-14 budget, in the amount of \$30,465, from General Fund Fund Balance, which will be prorated among all funds.

Subject: BS & A Payroll Software Purchase

In 2011 the City purchased financial and accounting software from BS&A. The purchase of this software allowed for automatic posting and interfaces with property taxes, assessing, building department and business license modules. At that time, the cost of converting payroll to BS&A was cost prohibitive.

So, in 2011 we partnered with ADP Payroll Services. ADP agreed to convert our data at no charge. Over the past year ADP's costs have increased, customer service has declined and obtaining reports is difficult. It is also difficult to meet their submission deadlines, due to the City's furlough days.

I am requesting permission to purchase payroll software, from BS&A, at a cost not to exceed \$17,145. The cost includes the new "dot net" software program as well as data conversion and in-house training. After the 2-year interest-free payment plan, the annual software maintenance cost for BS&A is \$1,220. This is a budgeted item. The costs will be allocated as follows: \$10,000 in FY 2012-13 and \$7,145 in FY 2013-14 from account # 101-299-818. The purchase price will be recouped within 2 years

The City Administrator and I have discussed this proposal and he concurs with my request. Please feel free to call me if you have any questions.

DON R. BERSCHBACK OF COUNSEL

June 11, 2013

Honorable Mayor and Council City of Grosse Pointe Woods 20025 Mack Plaza Grosse Pointe Woods, MI 48236

RE. Amendment to Pension Ordinance / Agenda Item June 17, 2013

Dear Honorable Mayor and Council:

Based on phone calls from Pension Members, Dee Ann asked me to update and revise the Pension Ordinance, specifically Sections 2-301, 2-302 and 2-314. The original ordinance has not been updated in some time to reflect changes in collective bargaining agreements. The proposed amendment would update the ordinance to reflect the current collective bargaining agreements. Prior to creating these amendments, I contacted and received input from both Mike VanOverbeke and Dennis Dubay.

Initially Dee Ann and I discussed the possibility of adding to these amendments a sentence which would allow future changes to be made by Council Resolution. In a discussion with Michael VanOverbeke, he indicated that although changes by Resolution would be a viable option, he believes the best practice would be to only make changes by an ordinance amendment. These issues are sometimes revisited years later. More importantly, Mr. VanOverbeke and I agree that Michigan law is clear that in the event of an inconsistency between the ordinance and the collective bargaining agreement, the collective bargaining agreement prevails.

Again, I want to stress that these amendments are essentially housekeeping matters which reflect the current collective bargaining agreements.

It would be the prerogative of Council to schedule this for a second reading with appropriate notice publication.

Very truly yours,

in Reischback

ORDINANCE NO.

AN ORDINANCE TO AMEND CHAPTER 2, ARTICLE IV EMLOYEE BENEFITS, DIVISION 2 RETIRMENT SYSTEM OF THE CODE OF ORDINANCES OF THE CITY OF GROSSE POINTE WOODS, MICHIGAN BY AMENDING SECTION 2-301 AND SECTION 2-302 TO REFLECT THE CURRENT PERCENTAGE OF MEMBER'S FINAL AVERAGE COMPENSATION MULTIPLIER AND THE TOTAL MAXIMUM MULTIPLIER AND BY AMENDING SECTION 2-314 TO REFLECT THE CURRENT PERCENTAGE OF NON-COVERED MEMBERS CONTRIBUTION TO THE RETIREMENT SYSTEM THEREBY BRINGING THE ABOVE SECTIONS UP TO DATE WITH CURRENT COLLECTIVE BARGAINING AGREEMENTS.

THE CITY OF GROSSE POINTE WOODS ORDAINS:

Sec. 2-301. - Retirement allowance-Covered member.

- (a) Upon retirement, as provided in this division, a covered member shall receive a straight life retirement allowance consisting of the benefits provided in subsections (a)(1) and (a)(2) of this section, and such member shall have the right to elect to receive his retirement allowance under an option provided in section 2-304 in lieu of a straight life retirement allowance. The following benefits are available to covered members:
 - (1) Any annuity which shall be the actuarial equivalent of such member's accumulated contributions standing to such member's credit in the annuity savings fund at the time of the member's retirement; and
 - (2) A pension which, when added to the member's annuity, shall provide a retirement allowance equal to two percent of the member's final average compensation multiplied by the number of years, and fraction of a year, of such member's final average compensation multiplied by the number of years, plus one percent of the member's final average compensation multiplied by the number of years, and fraction of a year, of the member's credited service which is in excess of 25 years. For a TPOAM covered member hired after March 30, 2011, the pension multiplier shall be 1.75% of final average compensation. If a member, retirant or beneficiary is granted workers' compensation paid for by the city, then during such member's workers' compensation period, the member's pension shall not exceed the difference between the member's final average compensation and the member's weekly workers' compensation allowance converted to a monthly amount.
- (b) If a retirant dies before he has received in straight life retirement allowance payments an aggregate amount equal to his accumulated contributions standing to the retirant's credit in the annuity savings fund at the time of his retirement, the difference between the retirant's accumulated contributions and the aggregate amount of straight life retirement allowance payments received by the retirant shall be paid from the retirement reserve fund to the person the retirant shall have nominated by written designation duly executed and filed with the board. If there is no such person surviving the retirant, the difference, if any, shall be paid to the retirant's legal representative. No benefits shall be paid under this

subsection on account of the death of a retirant if the retirant elected option II or III provided in section 2-304(a) as long as pension benefits are being paid.

(c) According to the rules and regulations, as the board of trustees may from time to time adopt, any covered member who retires prior to his attainment of age 65 years may elect to have his straight life retirement allowance actuarially equated to provide an increased retirement allowance payable to him until his attainment of age 65 years and a reduced retirement allowance payable thereafter. The member's increased retirement allowance payable to such member's attainment of age 65 years shall approximate the sum of such member's reduced retirement allowance to be payable after such member's attainment of age 65 years and the member's estimated social security primary insurance amount. This subsection shall not apply to a retirement allowance payable under option II or III provided in section 2-304(a).

Sec. 2-302. - Same—Noncovered member.

(a) Upon retirement, as provided in this division, a noncovered member shall receive a straight life retirement allowance consisting of the benefits provided in subsections (a)(1) and (a)(2) of this section, and such member shall have the right to elect to receive such member's retirement allowance under an option provided in section 2-304(a) in lieu of a straight life retirement allowance. The following benefits are available to noncovered members:

- (1) An annuity which shall be the actuarial equivalent of the member's accumulated contributions standing to such member's credit in the annuity savings fund at the time of such member's retirement; and

(b) If a retirant dies before he has received in straight life retirement allowance payments an aggregate amount equal to the accumulated contributions standing to the retirant's credit in the annuity savings fund at the time of his retirement, the difference between the retirant's accumulated contributions and the aggregate amount of straight life retirement allowance payments received by the retirant shall be paid from the retirement reserve fund to such person as the retirant shall have mentioned by written designation duly executed and filed with the board. If there is no such person surviving the retirant, the difference, if any, shall be paid to the

(a) The annuity savings fund is hereby created. It shall be the fund in which shall be accumulated, at regular interest, the contributions deducted from the compensations of members to provide their annuities, and from which shall be made refunds and transfers of accumulated contributions as provided in this division.

(b) A covered member's contributions to the retirement system shall be five percent of the compensations paid to such member by the city. A non-covered member's contribution to the retirement system shall be six percent of the compensations paid to such member by the city.

<u>RESOLUTION OF</u> <u>GROSSE POINTE WOODS PLANNING COMMISSION</u> <u>RECOMMENDING ADOPTION OF ZONING ORDINANCE AMENDMENT</u> <u>REGULATING DRIVE-THRU RESTAURANTS</u>

The Minutes of a regular meeting of the Planning Commission of the City of Grosse Pointe Woods held on Tuesday, May 28, 2013 at 7:30 p.m.

The following preamble and resolution was offered by Planning Commission Member <u>Fuller</u> and seconded by Planning Commission Member <u>Rozycki</u>:

WHEREAS, the Planning Commission has reviewed the Zoning Regulations relating to drive-thru restaurants at various Planning Commission meetings and workshops, and

WHEREAS, as a result of those prior meetings and workshops, the Planning Commission, with input from the Building Official, City Attorney, and designated City Planner John R. Jackson have developed a proposed ordinance, and

WHEREAS, the Planning Commission scheduled and conducted a public hearing regarding the ordinance on May 28, 2013, and

WHEREAS, in conjunction with the public hearing, the Planning Commission received and placed on file supporting documentation including, but not limited to, the proposed amendment, the Memorandum dated November 27, 2012 written by City Planner John R. Jackson, and the Building Official's Memo dated January 15, 2013, and

WHEREAS, the Planning Commission finds that placement of drive-thru facilities would be inappropriate in both the Commercial C District and C2 District for the reasons outlined in the documents made a part of the record. The Planning Commission more specifically find that the proposed ordinance is appropriate based on the following:

- The majority of property located in the Commercial C District has very shallow lots fronting Mack Avenue with residential property in very close proximity.
- Normal screening requirements applicable to the Commercial Districts are not sufficient to offset the impacts of drive-thru restaurants.
- The Planning Commission is extremely concerned with the negative impact to the residential areas generated by noise from vehicles, car stereos, idling vehicles, and menu board speakers.
- There are not appropriate locations for a drive-thru based on these concerns and the configuration of the lots in the two zoning districts at issue. In addition, several areas within close proximity to the City create general availability of these uses. Drive-thrus are not appropriate in the C-2 District based on paragraph 3 of Mr. Jackson's letter dated November 27, 2012 and for other reasons stated in the record. The intent of the C-2 District is to encourage high density mixed use developments.

> Fast food operations generally require a much higher number of stacking spaces per window and these types of facilities are generally open into the late evening hours.

NOW THEREFORE, the Planning Commission by this Resolution hereby recommends adoption of the proposed Zoning Amendment for Sections 50-370(2) and 50-419(1)(f) and refers this matter back to City Council for a first reading.

AYES: Evola, Fuller, Hambarsky, stapleton, Rozycki, Vaughn NAYS: None ABSENT: Gilezan, Vitale (EXCUSED)

RESOLUTION DECLARED ADOPTED.

CARROLL EVOLA Planning Commission Chairman

It is further moved that the minutes of this meeting relating to this agenda item and the attached Resolution be immediately certified.

RE. Proposed Zoning Amendment/Agenda Item June 17, 2013

Dear Honorable Mayor and Council:

At a Committee of the Whole meeting on March 18, 2013, the COW reviewed the attached proposed zoning amendment which would prohibit drive-thru facilities in both the Commercial District and the C-2 District.

The Planning Commission conducted its public hearing on May 28, 2013. There was no public comment from the audience at that meeting. In conjunction with that public hearing, the Planning Commission received and placed on file various supporting documents regarding the creation of the zoning amendment which I have also attached to this cover letter.

The Planning Commission voted unanimously to adopt a Resolution recommending that this Council adopt the proposed ordinance.

This matter is now before you for a first reading. It would be the prerogative of Council to schedule a second reading on this matter with appropriate publication by the City Clerk. Thank you.

Very truly yours,

<u>RESOLUTION OF</u> <u>GROSSE POINTE WOODS PLANNING COMMISSION</u> <u>RECOMMENDING ADOPTION OF ZONING ORDINANCE AMENDMENT</u> <u>REGULATING DRIVE-THRU RESTAURANTS</u>

The Minutes of a regular meeting of the Planning Commission of the City of Grosse Pointe Woods held on Tuesday, May 28, 2013 at 7:30 p.m.

The following preamble and resolution was offered by Planning Commission Member <u>Fuller</u> and seconded by Planning Commission Member <u>Rozycki</u>:

WHEREAS, the Planning Commission has reviewed the Zoning Regulations relating to drive-thru restaurants at various Planning Commission meetings and workshops, and

WHEREAS, as a result of those prior meetings and workshops, the Planning Commission, with input from the Building Official, City Attorney, and designated City Planner John R. Jackson have developed a proposed ordinance, and

WHEREAS, the Planning Commission scheduled and conducted a public hearing regarding the ordinance on May 28, 2013, and

WHEREAS, in conjunction with the public hearing, the Planning Commission received and placed on file supporting documentation including, but not limited to, the proposed amendment, the Memorandum dated November 27, 2012 written by City Planner John R. Jackson, and the Building Official's Memo dated January 15, 2013, and

WHEREAS, the Planning Commission finds that placement of drive-thru facilities would be inappropriate in both the Commercial C District and C2 District for the reasons outlined in the documents made a part of the record. The Planning Commission more specifically find that the proposed ordinance is appropriate based on the following:

- The majority of property located in the Commercial C District has very shallow lots fronting Mack Avenue with residential property in very close proximity.
- Normal screening requirements applicable to the Commercial Districts are not sufficient to offset the impacts of drive-thru restaurants.
- The Planning Commission is extremely concerned with the negative impact to the residential areas generated by noise from vehicles, car stereos, idling vehicles, and menu board speakers.
- There are not appropriate locations for a drive-thru based on these concerns and the configuration of the lots in the two zoning districts at issue. In addition, several areas within close proximity to the City create general availability of these uses. Drive-thrus are not appropriate in the C-2 District based on paragraph 3 of Mr. Jackson's letter dated November 27, 2012 and for other reasons stated in the record. The intent of the C-2 District is to encourage high density mixed use developments.

Fast food operations generally require a much higher number of stacking spaces per window and these types of facilities are generally open into the late evening hours.

NOW THEREFORE, the Planning Commission by this Resolution hereby recommends adoption of the proposed Zoning Amendment for Sections 50-370(2) and 50-419(1)(f) and refers this matter back to City Council for a first reading.

RE: COW Agenda Item / Zoning Amendment

Dear Honorable Mayor and Council:

For the past several months the Planning Commission has been reviewing various options regarding regulating drive-thru facilities along Mack Avenue. I have attached to this letter several supporting documents including the following:

- 1. Memo from John R. Jackson from McKenna Associations dated November 27, 2012 (Mr. Jackson was present at the November 27th Planning Commission meeting and a lengthy discussion ensued regarding various options and further direction from the Planning Commission.
- 2. Memo from Mr. Tutag dated January 15, 2013 which was written as a result of the November 27th meeting and outlined a proposed amendment. (This was also discussed at the January 29th Planning Commission meeting.)
- 3. A proposed ordinance I prepared based on Mr. Tutag's memo with minor stylistic changes.

At the January 27th meeting, the Planning Commission approved this draft and requested that the Committee of the Whole review the ordinance, and then refer it back to the Planning Commission for the scheduling of a public hearing.

I plan on attending the COW to provide some background and to answer any question the Council may have regarding these proposed amendments. Thank you.

Very truly yours,

MEMORANDUM

TO:	Gene Tutag, Building Official City of Grosse Pointe Woods
FROM:	John R. Jackson, AICP, LEED-GA
DATE:	November 26, 2012
SUBJECT:	Regulation of Drive Thru Restaurants

The City of Grosse Pointe Woods is a tight-knit community with tree-lined neighborhoods and convenient shopping on Mack Avenue. This convenient shopping poses a tremendous asset for residents of the community to walk to nearby shops. However, it also poses a significant challenge.

The vast majority of commercial areas in Grosse Pointe Woods are zoned C Commercial Business. This district is primarily located along Mack Avenue. There is a C-2 High Intensity City Center district located on Mack Avenue between Kingsville Ave and Bournemouth Road. The majority of property located in the Commercial Business District can be characterized as shallow lots fronting on Mack Avenue with residentially zoned and used property located immediately behind. This configuration lends itself to land use conflicts between the residential neighborhoods and commercial uses.

The City has adopted screening requirements that minimize the impact of most of the typical commercial impacts such as parking, deliveries, refuse collection, etc. However, these standard screening techniques are not sufficient to offset the impacts of drive-thru restaurants.

The drive-thru aspect of a fast food restaurant on a parcel of inadequate size can cause problems with traffic circulation and create areas that are hostile to the pedestrian. Moreover, drive-thrus have the potential to generate undesirable impacts for adjacent properties such as odors from vehicle exhaust and noise from engines, car stereos, and menu board speakers.

In addition to screening, other methods for minimizing the impacts of a drive thru include generous setbacks from residential districts and separation requirements. For example; a restaurant with a drive thru may not be located within 50 feet of a residential district or use. Unfortunately, with the configuration of the commercial property and the relative proximity to residential property, neither of these approaches are available to the City.

Based on our experience we offer the following issues to consider:

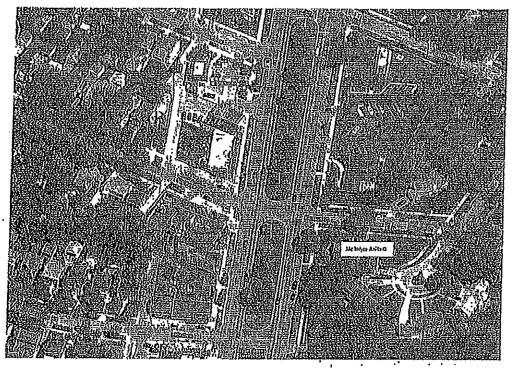

1. PROHIBITING RESTAURANTS WITH DRIVE THRUS: An argument can be made that there are not appropriate locations for a restaurant with a drive thru in the existing Commercial district based on the configuration of the lots in this district. It could also be argued that there are a number of

restaurants with drive thrus within close proximity to the City providing residents of the community convention vehicular access to those uses.

If an applicant wishes, they may request a land use variance from the Zoning Board of Appeals.

This approach may encounter legal challenge due to the fact that excluding uses is generally not allowed.

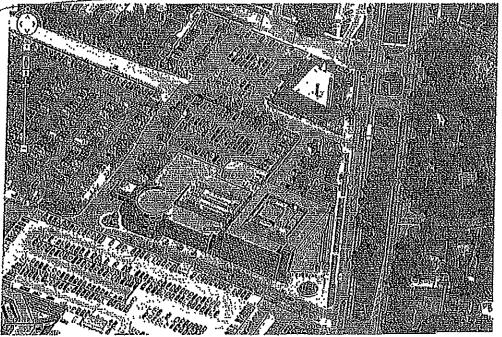

2. ACCOMMODATING RESTAURANTS WITH DRIVE THRUS AS A SPECIAL LAND USE: Many communities allow restaurants with drive thrus as a special use. This approach allows the City to establish specific siting standards, setback requirements, and other restrictions relative to the potentially negative impacts. In addition, this approach gives the City the ability to develop conditions of approval on a case-by-case basis, again, relative to the anticipated impacts of the proposed drive thru. Finally, the special use approach would allow the City to deny a request based on a finding that the proposed use does not meet the special land use tests for compatibility.

The City Council would make the final determination in the case of a special land use request for a restaurant with a drive thru.

City of Grosse Pointe Woods Regulating Drive Thru Uses November 27 * Page 3

3. ACCOMMODATING RESTAURANTS WITH DRIVE THRUS IN THE HIGH INTENSITY CITY CENTER DISTRICT: The other commercial district in the City is the High Intensity City Center District. Restaurants with drive thrus would not be appropriate in this district for a number of reasons. First, the intent of this district is to encourage high density mixed use development in a single building or in an integrated campus. I drive thorough would be inconsistent with the intent and it would also be the only auto-oriented use permitted in the district.

Second, this area is relatively well developed and there is little opportunity for this type of lowintensity redevelopment to occur in this area.

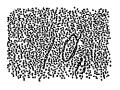

- 4. ISSUES TO CONSIDER WHEN REGULATING THESE FACILITIES WOULD BE:
 - · Proximity to residential districts
 - Setbacks from residential districts
 - Screening

- Traffic studies
- Driveway locations
- Stacking distances
- Sound level control
- Drive Thru window location
- Hours of operation

STACK REQUIREMENTS; While the ordinance-currently allows other uses with drive thrus; these uses, banks for example, have a much lower typical stacking requirement. Banks typically require three stacking spaces per window according to ITE. Pharmacles four; car washes six. Fast food restaurants with a drive thru typically require between 10 and 12 stacking spaces per window.

CITY OF GROSSE POINTE WOODS BUILDING DEPARTMENT MEMORANDUM

TOI	Planning Commission
FROM:	Gene Tutag, Building Official
DATE:	January 15, 2013
SUBJECT:	Drive-thm Faoilities

As we all are aware the Planning Commission has discussed adding language to Chapter 50 of the city's Zoning Ordinance clarifying that businesses with drive-thru facilities other than banks and financial institutions are not permitted uses in the C or C-2 zoning districts...

The conclusion of the Planning Commission is based upon the following facts that are unique to the commercial districts of Grosse Pointe Woods:

- The average depth of a commercially zoned lot along Mack Ave is approximately 125 feet. This relatively small lot depth does not allow for adequate protection of our adjacent residential from the noise associated with menu boards, car speakers, exhaust fumes and noise, lights and late hours of operation, in most cases only separated by a 20 foot wide alley.
- A drive thru establishment on a parcel of inadequate size can cause problems with traffic circulation, the stacking of vehicles and will create a hostile environment for pedestrians.

The Planning Commission engaged the services of planning consultant, John Jackson from McKenna Associates, to provide insight into this matter. A copy of the memorandum is attached.

There was some dialog with regard to a legal challenge regarding the concept of excluded uses. However, due to the limited commercial zoning districts (C and C-2), the city does not have available land or zoning districts to accommodate every use imagined while providing reasonable protection of the greater good of the established residential and commercial community. As indicated in the McKenna Memorandum and in the Zoning Bnabling Act "If an applicant-wishes-they may request a land-use-variance from the Zoning Board of Appeals". It was also noted that "within a 10 minute drive, drive-thru facilities are available". (See attached McKenna map dated Nov 27, 2012) Listed below for your review and comment is a proposed definition of a drive-thru facility that would be added to Section 50-1, proposed language to be added to Sections 50-370 and 50-419 that would prohibit drive thru facilities in the C Commercial Business District and the C-2 High Intensity City Center District.

Proposed Definition to be added to Section 50-1:

e S

Drivedincounty Facility. The use of land, buildings, or structures, or parts thereof, to provide or dispense products or services, either wholly or in part, through an attendant or window or automated machine, to persons remaining in motorized vehicles that are in a ? Add the following language to Section 50-370(2)f. for the C Commercial Business District:

Restaurants, hinchrooms and cafeterias and places for the sale of soft drinks, juices, ice cream and nonalcoholic liquors, but excluding drive thru facilities and places or businesses providing dancing or entertainment and places where food or beverages are dispensed to or served in automobiles parking on private property adjacent to and in connection with such establishments or are dispensed or served from an outside counter.

And add to Section 50-419(1)f, for the C-2 High Intensity City Center District:

Restaurants, lunchrooms and cafeterias and places for the sale of soft drinks, julces, ice cream and nonalcoholic liquors, but excluding drive-thrn facilities and places or businesses providing dancing or entertainment and places where food or beverages are dispensed to or served in automobiles parking on private property adjacent to and in connection with such establishments or are dispensed or served from an outside counter.

Upon completed review by the Planning Commission, it is recommended that the proposed changes be forwarded to the Committee of the Whole for their review and recommendation.
