

**Start saving on prescription drugs today...  
with our new Prescription Discount Card!**

The City of Grosse Pointe Woods has a new program to offer savings on prescription drugs to residents who are without health insurance, a traditional benefits plan, or have prescriptions that are not covered by insurance.

**This is not insurance.** The **Prescription Discount Card** is made available to residents by the City of Grosse Pointe Woods in collaboration with the National League of Cities (NLC) and is made possible through Grosse Pointe Woods' membership in NLC.

The card is **FREE to all Woods residents**, regardless of age, income, or existing health insurance. By using this card, you **may save an average of 20 percent** off the regular retail price of prescription drugs at participating pharmacies. The NLC says that this card is accepted by nine out of ten pharmacies nationwide.

Any family member may use your discount card anytime a prescription is not covered by insurance. There are no restrictions and no limits on how many times you may use your card. As part of this program, cardholders may be eligible for higher discounts on select medications.

To get program information, locate a pharmacy, look up drug price, print a card, or access health resources, visit [www.caremark.com/nlc](http://www.caremark.com/nlc), or call toll-free 1-888-620-1749. Residents also may pick up a card at the Grosse Pointe Woods City Hall.

***Discounts are only available at participating pharmacies. By using this card, participants agree to pay the entire prescription cost less any applicable discount. Savings may vary by drug and pharmacy.***
