Richard M. Skutt <input type="radio"/> Judge of Circuit Court	Public Act 520 of 2012 would: • Designate wolf as game. • Allow an open hunting season for wolves and allow the Natural Resources Commission to schedule annual wolf hunting seasons. • Provide criminal penalties for the unlawful possession or taking of wolves, but shield a person who lawfully captures or destroys a wolf from prosecution. • Require a person who wishes to hunt wolves to obtain a wolf hunting license. • Create a Wolf Management Advisory Council for the purpose of making nonbinding recommendations to the legislature regarding the proper management of wolves. Should this law be approved? YES <input type="radio"/> NO <input type="radio"/>	GROSSE POINTE PUBLIC SCHOOL SYSTEM OPERATING MILLAGE RENEWAL This proposal would authorize The Grosse Pointe Public School System to continue to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy and would restrict the levy on principal residences (owner occupied homes) to no more than 8.0784 mills. This authorization would renew authority of the School District to continue to levy the statutory limit of 18.00 mills on non-homestead (principally industrial and commercial real property and residential rental property) which expires with the School District's 2014 tax levy. Under existing law the School District would levy on principal residence property only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. As a renewal of authority which expires with the 2014 levy, shall the limitation on the amount of taxes which may be imposed on taxable property in The Grosse Pointe Public School System, County of Wayne, Michigan, be increased by 19.00 mills (\$19.00 per \$1,000 of taxable value) to the extent such property is not statutorily exempt, and of which not more than 8.0784 mills may be imposed on principal residences, for five (5) years, the years 2015 to 2019, inclusive, to provide funds for operating expenses of the school district? This millage would raise approximately \$22,811,000 in the first year of levy.

Alexis A. Glendening <input type="radio"/> Judge of Circuit Court	Public Act 21 of 2013 would: • Allow the Natural Resources Commission (NRC) to designate animals as game for hunting purposes without legislative action. • Allow the NRC to establish the first open hunting season for newly designated game animals without legislative action. • Allow the NRC to schedule a wolf hunt. • Grant the Legislature the sole authority to remove a species from the list of designated game animals. • Eliminate the \$1.00 hunting and fishing licensing fee for members of the military, whether stationed inside or outside of Michigan, subject to any lottery. • Give the NRC the sole authority to regulate fishing. Should this law be approved? YES <input type="radio"/> NO <input type="radio"/>	GROSSE POINTE PUBLIC SCHOOL SYSTEM SINKING FUND RENEWAL PROPOSAL This proposal would renew the authority last approved by voters in 2010 and which expires with the 2014 levy for the Grosse Pointe Public School System to levy a sinking fund millage. As a renewal of authorization which expires with the 2014 levy, shall the Grosse Pointe Public School System, County of Wayne, Michigan, be authorized to levy 1.00 mill (\$1.00 per \$1,000 of taxable valuation) to create a sinking fund for the purpose of the construction or repair of school buildings and the improvement and development of sites, by increasing the limitation on the amount of taxes which may be imposed on taxable property in the School District for a period of five (5) years, being the years 2015 to 2019, inclusive? It is estimated that 1.00 mill (\$1.00 per \$1,000 of taxable valuation) would raise approximately \$2,534,000 in the first year that it is levied. Richard M. Skutt <input type="radio"/> Judge of Circuit Court	Public Act 520 of 2012 would: • Designate wolf as game. • Allow an open hunting season for wolves and allow the Natural Resources Commission to schedule annual wolf hunting seasons. • Provide criminal penalties for the unlawful possession or taking of wolves, but shield a person who lawfully captures or destroys a wolf from prosecution. • Require a person who wishes to hunt wolves to obtain a wolf hunting license. • Create a Wolf Management Advisory Council for the purpose of making nonbinding recommendations to the legislature regarding the proper management of wolves.	GROSSE POINTE PUBLIC SCHOOL SYSTEM OPERATING MILLAGE RENEWAL
Craig S. Strong <input type="radio"/> Judge of Circuit Court	Should this law be approved?	This proposal would authorize The Grosse Pointe Public School System to continue to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy and would restrict the levy on principal residences (owner occupied homes) to no more than 8.0784 mills. This authorization would renew authority of the School District to continue to levy the statutory limit of 18.00 mills on non-homestead (principally industrial and commercial real property and residential rental property) which expires with the School District's 2014 tax levy. Under existing law the School District would levy on principal residence property only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State.
Lawrence S. Talon <input type="radio"/> Judge of Circuit Court	YES <input type="radio"/> NO <input type="radio"/>	As a renewal of authority which expires with the 2014 levy, shall the limitation on the amount of taxes which may be imposed on taxable property in The Grosse Pointe Public School System, County of Wayne, Michigan, be increased by 19.00 mills (\$19.00 per \$1,000 of taxable value) to the extent such property is not statutorily exempt, and of which not more than 8.0784 mills may be imposed on principal residences, for five (5) years, the years 2015 to 2019, inclusive, to provide funds for operating expenses of the school district? This millage would raise approximately \$22,811,000 in the first year of levy.

JUDGE OF CIRCUIT COURT 3rd CIRCUIT NON-INCUMBENT POSITION Vote for not more than 1	PROPOSAL 14-2 A REFERENDUM OF PUBLIC ACT 21 OF 2013, GRANTING THE NATURAL RESOURCES COMMISSION THE POWER TO DESIGNATE WOLVES AND OTHER ANIMALS AS GAME WITHOUT LEGISLATIVE ACTION	This proposal would renew the authority last approved by voters in 2010 and which expires with the 2014 levy for the Grosse Pointe Public School System to levy a sinking fund millage.
Shannon N. Walker <input type="radio"/>	Public Act 21 of 2013 would: • Allow the Natural Resources Commission (NRC) to designate animals as game for hunting purposes without legislative action. • Allow the NRC to establish the first open hunting season for newly designated game animals without legislative action. • Allow the NRC to schedule a wolf hunt. • Grant the Legislature the sole authority to remove a species from the list of designated game animals. • Eliminate the \$1.00 hunting and fishing licensing fee for members of the military, whether stationed inside or outside of Michigan, subject to any lottery. • Give the NRC the sole authority to regulate fishing.	As a renewal of authorization which expires with the 2014 levy, shall the Grosse Pointe Public School System, County of Wayne, Michigan, be authorized to levy 1.00 mill (\$1.00 per \$1,000 of taxable valuation) to create a sinking fund for the purpose of the construction or repair of school buildings and the improvement and development of sites, by increasing the limitation on the amount of taxes which may be imposed on taxable property in the School District for a period of five (5) years, being the years 2015 to 2019, inclusive? It is estimated that 1.00 mill (\$1.00 per \$1,000 of taxable valuation) would raise approximately \$2,534,000 in the first year that it is levied.
