

CITY OF GROSSE POINTE WOODS MEMORANDUM

Date: January 15, 2016

To: Pension Board Trustees

From: Dee Ann Irby, Pension Administrator

Re: Pension Training Budget Request

In accordance with PA 347, the Board is required to adopt an annual budget for professional training and education. Listed below is my recommendation for the Board's consideration.

MAPERS Spring Conference	\$3,000
MAPERS Fall Conference	\$3,000
MAPERS One-Day Seminar	<u>\$ 150</u>
	\$6,150

The budget is based upon the Board's prior action to authorize the Pension Administrator and two Board members to attend each of the conferences listed.
