CITY OF GROSSE POINTE WOODS DEPARTMENT OF PUBLIC SAFETY

ANDREW L. PAZUCHOWSKI, Director
20025 Mack Plaza
Grosse Pointe Woods, MI 48236-2397

February 1, 2014

Mr. Alfred John Fincham III
City Administrator
City of Grosse Pointe Woods
20025 Mack Plaza
Grosse Pointe Woods, MI 48236

Dear Mr. Fincham,

On behalf of the members of the Department of Public Safety, I am pleased to present to you, Mayor Robert Novitke, and the members of the City Council the Annual Report for 2013. Our Department has worked diligently during this past year to provide the best possible public safety services for the citizens of Grosse Pointe Woods. I am very proud of each and every one of our team members for their efforts, dedication, and courage.

Our department faces new and unexpected challenges on a daily basis. I have continued to focus on increasing area patrols and utilizing our Auxiliary officers to concentrate on monitoring vacant and foreclosed homes, and patrolling the business district alleyways. The Auxiliary bike patrol program has proven to be very effective and appreciated by the community.

As an approach to community policing and as a way to reach out to our youth, Detective Daniel Koerber, who maintains an office located in Grosse Pointe North High School, continues to be a liaison in our schools. He has been successful in interacting with the school administration and students. By developing this approach, I believe we have been able to successfully address current issues our youth are facing and better ensure safety within our schools. Our department is continuing to focus on school safety precautions in the hopes of preventing the tragedies which have struck other communities across the country.

In addition, our department has increased the use of NIXLE to disseminate information that is of public concern and to obtain assistance from the community in crime prevention.

Crimemapping is another tool that the department has implemented to educate the public on criminal activity which occurs throughout the year in different areas of the city. Historically, this tool has been used by law enforcement agencies to focus patrols and surveillance in areas of increased criminal activity.

Our statistics for the year 2013 include 208 Index and 385 Non-Index crimes, a total of 593 crimes, which represents a decrease of 14 percent from the 689 crimes reported last year. I was pleased to see the reduction in crime and attribute that to the implementation of increased patrol activity by our Public Safety and Auxiliary officers. It was also encouraging to see larceny, which has historically been our highest index crime, also decrease by 17 percent. There were 140 reported larcenies in 2013 in comparison to the 169 reported in 2012.

There were 14 actual fires with a fire loss of \$238,750 in 2013 in comparison to the 15 actual fires with a fire loss of \$140,000.00 reported in 2012.

In 2013, we had 19 auto thefts, 27 less than the 46 reported in 2012. Only one stolen vehicle was taken from the St. John's Hospital parking lot in comparison to 23 last year. This decrease was largely due to the special attention that St. John's security has been giving to the north parking lot area as well as increased patrols by Grosse Pointe Woods Public Safety officers

As we move forward into the future, the Department of Public Safety is excited for the opportunity to embrace whatever challenges may arise. We are continually improving our processes so that we can act quickly to provide our community with the high level of service they deserve. Every situation is important to us whether it is the protection of our young and innocent children in school, a business owner in need of assistance, an elderly resident in need of the friendly reassurance of a daily phone call from our dispatch staff, rescuing those who are trapped in a burning building, maintaining the safety of those who drive on our roads, or helping a stray dog who has lost his way home.

I am proud and honored to serve as the Director of Public Safety for the City of Grosse Pointe Woods and look forward to years of continued service. I will lead the Department in a professional and courteous manner to the best of my ability.

I would like to thank Mayor Novitke, members of the City Council, and all of the citizens we serve for your continued support in our mission to maintain the safety and improve the quality of life in the City of Grosse Pointe Woods.

Sincerely,

Andrew L. Pazuchowski

Andrew L. Pazuchowski, Director
Department of Public Safety

MISSION STATEMENT

The Mission of the Grosse Pointe Woods Department of Public Safety is to continually strive to improve the safety and quality of life within our community. This will be accomplished through a broad based combination of traditional and innovative police, fire and emergency medical services while always protecting constitutional and basic human rights. All members of the Department will at all times stand accountable for their conduct.

“Never Forget”

**Annual Remembrance of the Twin Towers
September 11, 2011**

INTRODUCTION

Each year, the Grosse Pointe Woods Department of Public Safety prepares an annual report of crime statistics for the City of Grosse Pointe Woods, the Michigan Incident Crime Reporting (MICR), and the Federal Bureau of Investigation Uniform Crime Report (UCR). This data is compiled from offenses reported to the Department of Public Safety, monthly police reports, and individual crime incident reports.

The primary objective of this annual report is to provide a reliable set of criminal justice statistics for police administration, operations, and management. The localized study of crime data enables personnel to assess the influence of crime in areas, neighborhoods, and people. Similarly, crime statistics permit analysis among neighboring jurisdictions and with those of similar populations and other characteristics. A broad examination of the crime data allows individuals to view the nature and movement of crime, underlying changes, and fluctuations throughout the City of Grosse Pointe Woods, the State of Michigan, and the United States.

The Department of Public Safety is committed to improving the reliability and validity of our crime reporting data. We are attempting to achieve this goal by study and analysis of major crime indexes and understanding the impact of classification revisions mandated by the State. As a result, some offense categories have decreased, while others have increased. Our efforts are to provide a reporting system that will be more accurate, valid, reliable, and compatible with State and Federal standards.

Members of the Grosse Pointe Woods Department of Public Safety are pictured above.

Cindy Cook
Carolyn Schefke

Records Department Clerks

Diana Cormier
Diane Janis
Charlene Ortleib

SPECIAL RECOGNITION

Although each and every one of our officers has made significant contributions to the Department of Public Safety, there are two officers who were given special recognition for outstanding achievements.

Public Safety Officer Brian Conigliaro received a Department Commendation in recognition of his tenacious work ethic, alertness and prompt action on July 24, 2013 when he was instrumental in the arrest of four suspects charged with larceny. Officer Conigliaro was on routine patrol when the Department received a 911 call regarding the strong armed robbery of a female in the parking lot of a grocery store. Upon searching the area, he observed a vehicle with four occupants on a nearby street and stopped the vehicle. With the assistance of Officer Matthew Muzia and Sergeant Joseph Cardosi, the trio was able to establish that the occupants were involved in the crime. The suspects were arrested with the assistance of units from Grosse Pointe Woods and other neighboring departments. Without the actions of Officer Conigliaro, the suspects would not have been apprehended and would still be at large in the community.

A Department Commendation was also received by Officer Walter Galat in recognition of his alertness and prompt actions on July 29, 2013 while on routing patrol when the Department received a 911 call regarding the larceny of a mountain bike from a garage. Officer Galat located and apprehended a suspect riding a bike which matched the description of the stolen property. The suspect was carrying a small lawn tiller which was later identified as stolen property from another nearby garage. Without Officer Galat's alertness and prompt actions, the stolen items would not have been returned to the victims and the suspect would have remained at large.

Pictured from left to right are: Officer Walter Galat and Officer Brian Conigliaro.

Officer Daniel Marietta was honored at the 31st annual Respect for Law Program sponsored by the Lakeshore Optimist Club held on May 1st, 2013 at the Lochmoor Club. The event was attended by police chiefs from the Grosse Pointe communities, Harper Woods, and the eastern district of Detroit. Marietta was recognized at the ceremony for the field interview he conducted on June 26, 2012 with three suspects who were subsequently arrested and charged with possession of stolen property. Officer Marietta is pictured below accepting his award from 2013-2013 Lakeshore Optimist President Christopher Thomas.

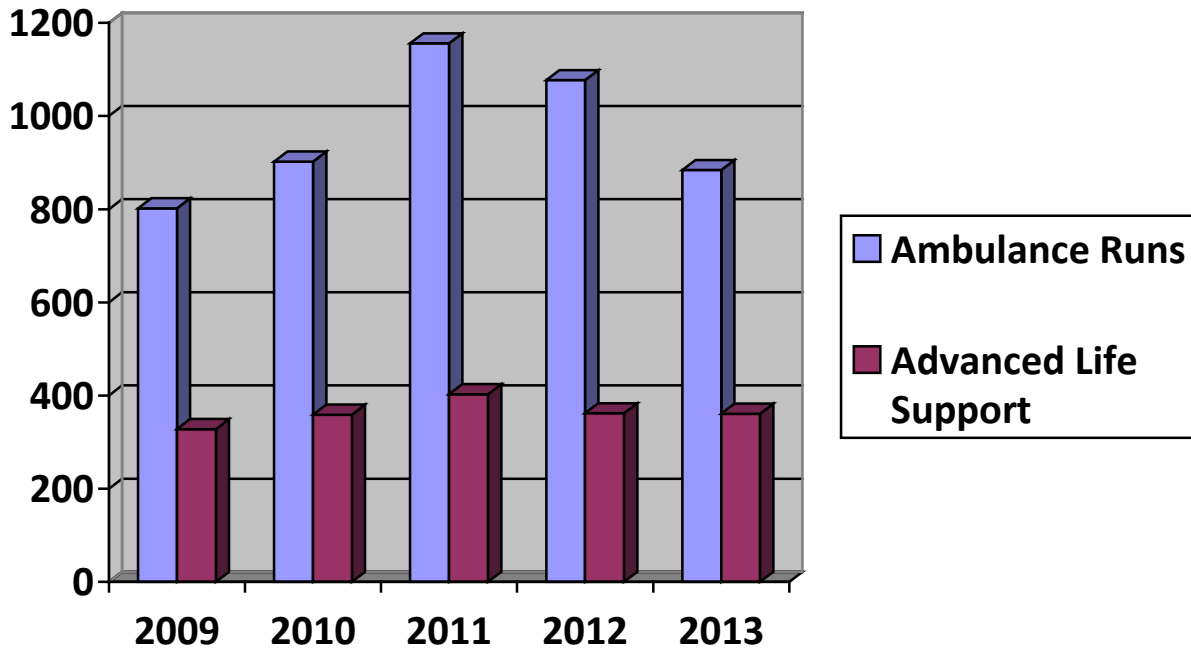

EMERGENCY MEDICAL SERVICES

The Department operates an Advanced Life Support ambulance staffed by five Paramedic/Firefighters: Mark Bletch, Anthony Calappi, Wayne Culver, Charles Krantz, and Corey May. These five staff members work a 24-hour, 3-platoon system.

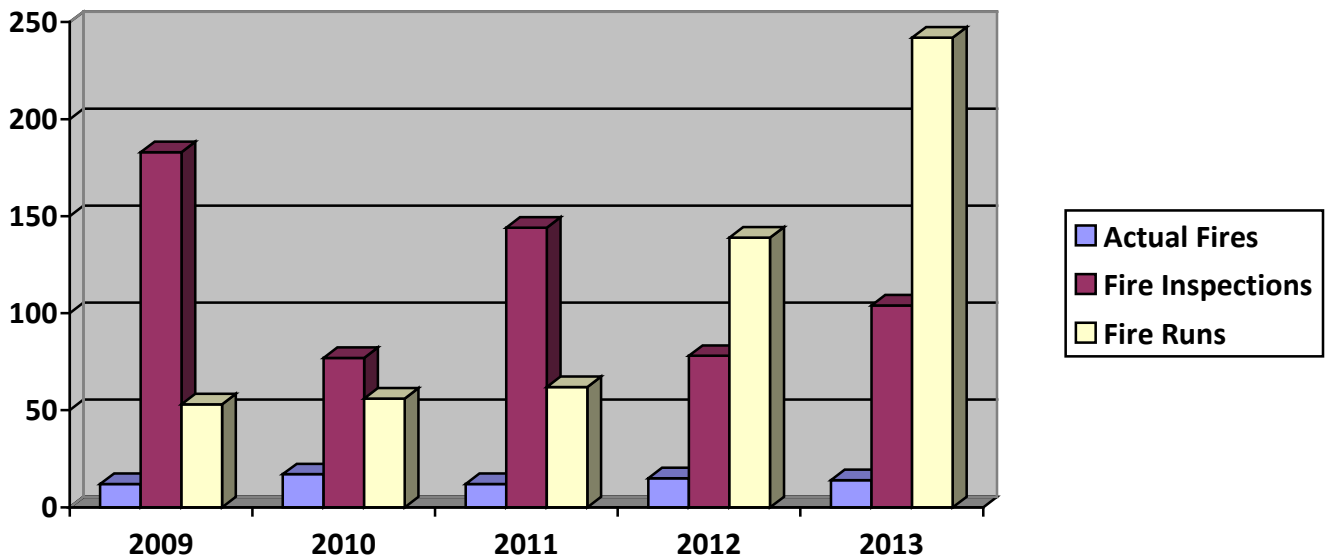

A public safety officer assists two of the paramedics with every ambulance run. With enhanced technology and equipment, paramedics can begin advanced lifesaving procedures and transmit reports to area hospitals before the patient arrives. Electronic ambulance report writing and billing continue to be utilized by the Department. All of the patrol vehicles are equipped with an Automatic External Defibrillator (AED).

	2009	2010	2011	2012	2013
Ambulance Runs	802	902	1156	1077	884
Adv. Life Support	328	359	403	362	361
% Adv. Life Support	41%	40%	35%	34%	41%

FIRE OPERATIONS

The Department prides itself on its quick response to all emergencies. In addition to the 14 dwelling fires in Grosse Pointe Woods, our firemen also responded to 10 other fires at or in single family dwellings, 5 commercial building fires, 3 vehicle fires, and 6 dumpster/outside fires. We also provided mutual aid to Harper Woods, Grosse Pointe Farms, and Grosse Pointe Shores. There were 23 fires in these communities requiring mutual aid in 2013. Fire Inspector Joseph Provost continued with our commercial business fire inspections.

	2009	2010	2011	2012	2013
Actual Fires	12	17	12	15	14
Fire Inspections	183	77	144	78	104
Fire Loss	\$438,500	\$193,400	\$92,000	\$140,000	\$238,750
Fire Runs	53	56	62	139	242

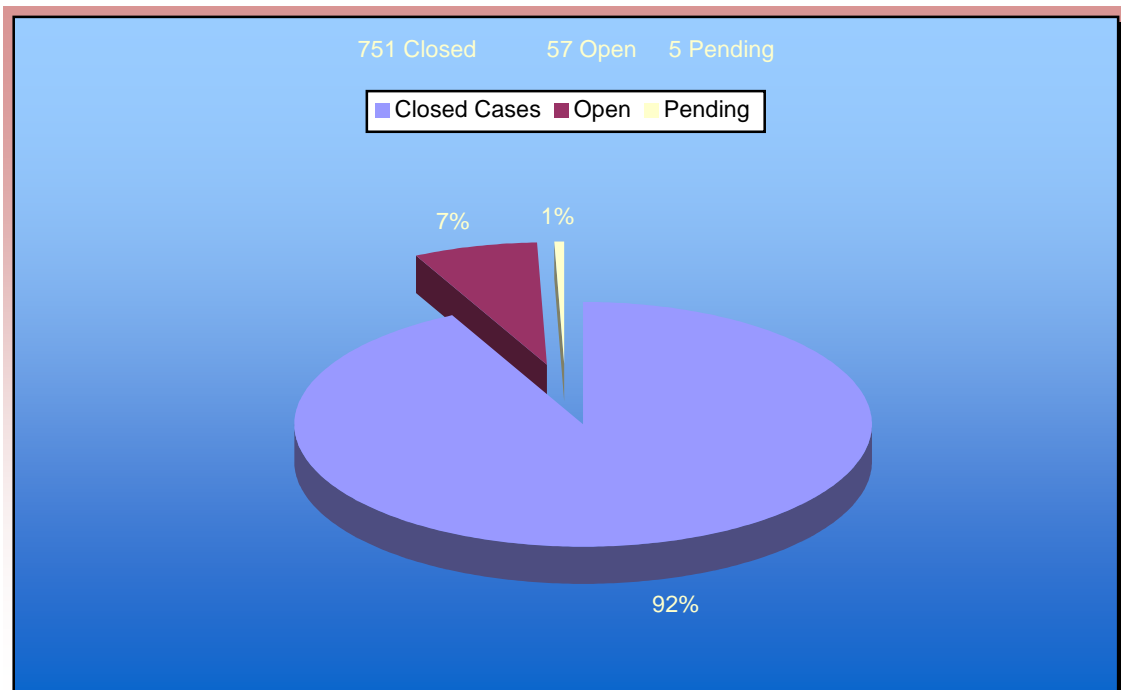

There were no fatalities or any serious injuries as a result of the 14 actual fires this year.

DETECTIVE BUREAU

The Detective Bureau is the Criminal Investigation Unit for the Department. The detectives assigned to this unit are responsible for investigating all crimes committed against persons or property in the community. They are available to respond to a crime scene 24 hours a day. All detectives receive specialized training to develop and enhance their investigative skills including attending legal update training and meetings with detective bureaus from neighboring jurisdictions. The Detective Bureau is also responsible for monitoring businesses that possess a Michigan liquor license to ensure compliance with Michigan liquor laws.

The Grosse Pointe Woods Detective Bureau consists of Detective Kevin Bonk, Detective Anthony Chalut, Fire Inspector/Detective Joseph Provost, and Traffic Safety Officer/Detective Daniel Koerber. Together, these detectives are responsible for investigating crimes, collecting and preserving evidence, identifying perpetrators, interviewing witnesses, interrogating suspects, and preparing cases for successful prosecution. The Detective Bureau operates under the supervision of Lt. John Ross.

92% of the 813 Criminal Cases assigned to the Detective Bureau in 2013 are closed.

DETECTIVE BUREAU (continued)

Our brilliant team of detectives is pictured above. From left to right are Detective Anthony Chalut, Detective/Traffic Safety Officer/Youth Officer Daniel Koerber, Detective/Fire Inspector Joseph Provost and Detective Kevin Bonk.

Detective Daniel Koerber, the Department's Youth Officer, is responsible for any crimes and or violations involving persons under the age of 17. He has an office located at Grosse Pointe North High School and has become a direct liaison with school administrators, teachers, and students. Detective Koerber is an educator and mentor for all students in the Grosse Pointe School System. Detective Koerber is also responsible for traffic safety, overseeing crossing guards, conducting traffic and speed studies, and investigating traffic-related incidents as well as the community crime prevention program.

Detective Daniel Koerber is pictured above.

SPECIAL RESPONSE TEAM (SRT)

The Special Response Team (SRT) is a specially trained 12-member cross-jurisdictional law enforcement team which responds to potentially dangerous situations. The SRT executes search and arrest warrants, intervenes in hostage situations, works on counter-terrorism missions, provides perimeter security for high-profile events, and provides assistance in other high-risk situations.

In 2013, the SRT was activated on 9 separate occasions. These activations, which varied from fraud investigations, narcotic search warrants, homicide investigations, and barricaded gunmen, resulted in multiple arrests and recovery of stolen property and other paraphernalia.

DEPARTMENT TRAINING

Each year, officers train with the specialized rescue tools and fire equipment used by the Department. Members of the Department attended 345 hours of Police and Fire training courses at local colleges and other training facilities in 2013 and also participated in 1,407 hours of in-house training. The Department received a total of 1,752 hours of training in 2013.

Pictured above are Grosse Pointe Woods Public Safety Officers training on roof ventilation procedures.

ANIMAL CONTROL

The feathered and furry residents of Grosse Pointe Woods are grateful for the presence of our Code Enforcement /Animal Control officer, Debbie Reed. A 16-year veteran of the Department, Ms. Reed's days are filled with unexpected and unique situations. A typical day at work might involve rescuing a kitten from the inside of a car engine compartment, attempting to lure squirrels from hiding places under the roof at City Hall, sending bats in for rabies testing, etc...

One of Officer Reed's most memorable events during her career with the city is the story of a stray Akita she named "Ghost" because of the dog's ability to disappear within moments of being sighted. Ghost ran loose throughout the city for several years between Renaud and the northern city limits until it was adopted by a resident who found the dog and gave it a home. Officer Reed's marshmallow heart melted whenever she spotted the dog on a leash going for a walk with its new owner as she knew that the dog would have had quite a different fate had it been captured.

Officer Reed encourages all Grosse Pointe Woods residents to consider having their pets spayed or neutered to help increase the chances of the growing number of dogs and cats in shelters to find good homes.

In 2013, the Department responded to 546 animal control incidents.

CROSSING GUARDS

The parents of our community depend upon our Crossing Guard team for the safety of their children when walking or riding a bicycle on their route to school or home. No matter what the weather is, our team of dedicated guards is ready to guide and protect our children. We are deeply appreciative of their efforts.

Pictured above left to right are:

Back Row: Charlotte Monaghan, Marjorie Warhurst, Sharon Stephanic, William Westwood, Barbara Jones, Alonzo Moore, Mary Moore, Kathleen Tarantine, and Lisa Carner.

Front Row: Lori Cardosi, Janet Hughes.

Not Pictured: Ted Colborn, Marjorie Schneider, Nancy Smialek, and Ruiling Ruan.

AUXILIARY UNIT

The volunteer Auxiliary Unit is a vital resource for the Department. Not only do they assist officers at community events such as the annual fireworks and Fire Safety Open House, but they also provide assistance at fire scenes, perform fire hose testing protocols, and perform other essential duties.

The Auxiliary Unit underwent 199 hours of training and devoted 761 hours of service to the City of Grosse Pointe Woods in 2013. They are an indispensable part of our community.

Pictured above left to right are:

Bottom Row: Bryan Wollenweber, Sergeant Charles Thomas, Mark Higgins, John Mowatt.

Middle Row: Dr. Jose Carrion, Ryan Allemon, Allen Herfi, Richard Defauw.

Top Row: Angelo Girtsas, Keith Kurtz, Captain David Podeszwick, Sergeant Jerome Haraburda, and Jeffrey Moore.

Not pictured: Patrick Berns, Department of Public Safety liaison Detective Kevin Bonk, Sergeant Thomas Curcuri, Nick Pizzurro, Lucy Quinn, Archie Stewart, and Martin Van Almen..

POLICE CHAPLAIN

It has been a blessing for the Grosse Pointe Woods Public Safety Department to have had the guidance of Sr. Chaplain Major Dennis R. Walker for the past nine years. Chaplain Walker began his career serving the cities of Grosse Pointe Woods, Ferndale, and Madison Heights after a 35-year career in the automotive industry with the Chrysler Corporation. He felt the need to do something more with his life upon retirement and decided that a new career as a police chaplain would be the right choice after much soul-searching and prayer.

Chaplain Walker provides support and counseling to public safety officers in the areas of trauma, grief and loss, critical incident stress management, critical incident stress debriefing, depression, divorce, and death counseling.

Chaplain Walker's impressive credentials include the titles of Board of Director and President of the Oakland County Crisis Response Organization. He is also active in his church in Royal Oak where he serves as an Elder and visits home-bound and hospitalized parishioners. His military career includes over three years of service with the United States Air Force where he was stationed in Vietnam. Chaplain Walker was also a member of the Royal Oak auxiliary police team for 18 years. In addition, he has held various positions with the Boy Scouts of America and the Lamphere High School Band Boosters. The Grosse Pointe Woods Department of Public Safety is very grateful for the continued presence of Chaplain Walker in their lives.

REGIONAL COOPERATION EFFORTS

We would like to express our appreciation and gratitude to our Mutual Aid partner cities: Grosse Pointe City, Grosse Pointe Farms, Grosse Pointe Park, Grosse Pointe Shores, and Harper Woods. The dedication and loyalty of each of these cities has been invaluable in our efforts to keep our communities safe.

In addition, we would like to thank the City of Hamtramck and their Police Chief Max Garbarino for generously allowing us to utilize the services of their officers in providing security for our annual fireworks event. We hope that this will be the beginning of a long and fruitful relationship between our two cities. Our Mutual Aid partners also each provide two officers for this annual event.

Left to right: Officer Robert Hamilla, Officer Zlatko Nastoski, Officer Sage Wiggins, Officer John Graham, Lieutenant Jeremy Bist, Officer Jacob Gonzalez, Lieutenant Melanie Babij, Officer Charles Baker, Deputy Chief Richard Dobek, and Sergeant Scott Marcero.

FIRE SAFETY OPEN HOUSE

The Fire Safety Open House held on October 6th, 2013 proved to be a popular event once again. Children and adults had the opportunity to interact with Police, Fire, and EMS personnel. The attendees learned how to escape from a burning house, how to extinguish fires from personal clothing, and tips on electrical safety.

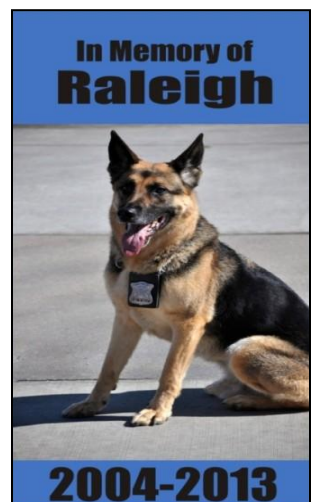

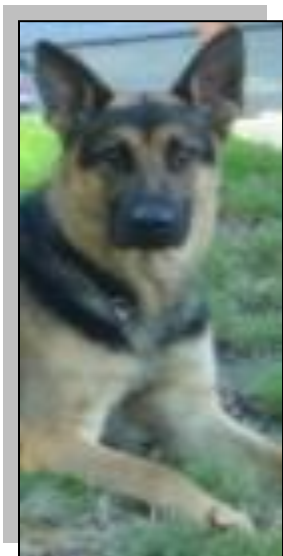

Several Department members were instrumental in making this event a success including Detective Kevin Bonk (pictured below assisting the little girl in the pink outfit), Detective Anthony Chalut (pictured below with the fire hose), Detective Daniel Koerber (pictured below greeting the little girl in pink) and Detective/Fire Inspector Joseph Provost (pictured below with the boy in the window). Our Auxiliary team, led by Captain David Podeszwick, was also invaluable in making this a memorable community event.

MEMORIAL TRIBUTE

The Department of Public Safety lost a valued team member in 2013 when Raleigh, our local police K9 unit, passed away at the age of nine. Raleigh, an 80 lb. German Shepherd trained by Grosse Pointe City's Sergeant Michael Almeranti, had served Grosse Pointe area cities for seven years. He had earned numerous awards and citations for his work which included the accomplishments of 305 narcotics recoveries, helping to locate 59 perpetrators for crimes such as arson, home invasion, armed robbery, stolen vehicles, and fleeing and eluding the police as well as helping to locate 6 perpetrators found hiding in buildings during searches. Raleigh grew to be loved by the community during 145 appearances at schools, parades, and other civic events. He was also highly valued in our local school system as he assisted in 52 locker sweeps.

COMMUNITY INVOLVEMENT

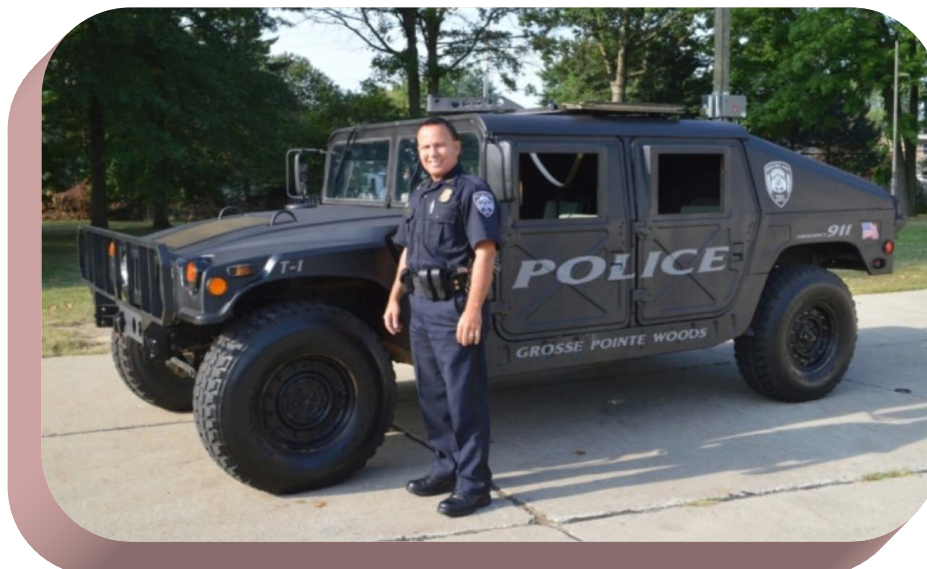

The staff of the Grosse Pointe Woods Public Safety Department has often devoted their time and efforts to helping to improve the lives of the members of the community around them. The Department helps both the young and the old by hosting educational tours of the department and its facilities to local youth groups and schools and by improving the safety and well-being of homebound senior residents by having the dispatchers call to check on their welfare in the mornings. Department members have also been involved in events and programs which include the Special Olympics for the handicapped, donating coats and blankets to the poor, and participation in events such as Shop With A Cop where children have the opportunity to go on a pre-Christmas shopping spree with an officer at a local store. It is an honor and a privilege for us to serve and protect members of the community.

Members of the Grosse Pointe Woods Department of Public Safety in the above photo include: Lt. John Kosanke (top row – right-hand corner), Officer Brian Conigliaro (middle row – 3rd from left), retired officer Sally Beghin (middle row – 5th from left) and Auxiliary Officer Mark Higgins (top row – light blue shirt with Santa cap).

Residents who attend future community events and programs will have a good chance of seeing the department's treasured Humvee, a used Army vehicle which was acquired for the city at no cost through the efforts of Director of Public Safety Andrew Pazuchowski. A Humvee is a sturdy vehicle equipped with a diesel engine and is valued at \$50,000 if purchased new. Capable of driving through anything, the vehicle has already proven useful in major snowstorms. Because of safety issues, the vehicle will be used mainly by the Special Response Team and for display at special events to avoid taking a patrol car or emergency vehicle out of service.

Director Pazuchowski spent much time and effort going through the government's authorization process in order to obtain the vehicle but the efforts paid off in a big way as the city now has access to a variety of decommissioned items. Pazuchowski (pictured below) chose the best vehicle out of the available inventory. The Director used funds available from confiscated property in order to refurbish the Humvee before it could be put into service for the city.

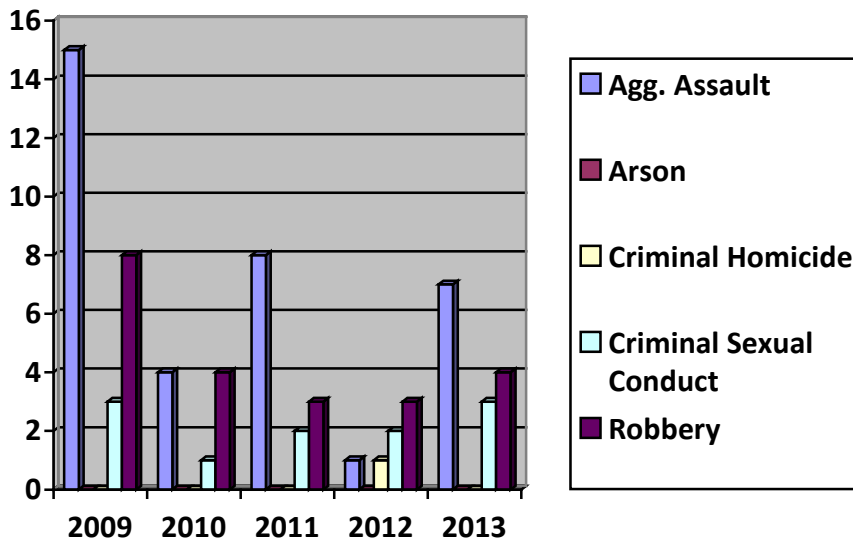

INDEX CRIMES BREAKDOWN

The National Crime Index is composed of selected offenses used to gauge fluctuations in the overall volume and rate of crime reported to law enforcement. Index Crimes are considered to be the most serious of all crimes reported.

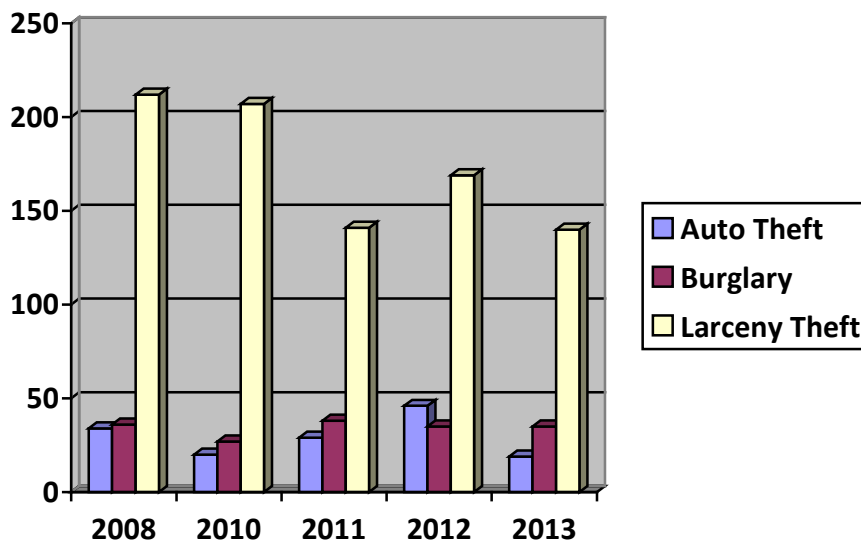

These include the violent crimes of:

- **Aggravated Assault**
- **Arson**
- **Auto Theft**
- **Burglary**
- **Criminal Homicide**
- **Criminal Sexual Conduct**
- **Larceny - Theft**
- **Robbery**

INDEX CRIME TOTALS

	2009	2010	2011	2012	2013
Aggravated Assault	15	4	8	1	7
Arson	0	0	0	0	0
Criminal Homicide	0	0	0	1	0
Criminal Sexual Conduct	3	1	2	2	3
Robbery	8	4	3	3	4

	2009	2010	2011	2012	2013
Auto Theft	28	20	29	46	19
Burglary	27	27	38	35	35
Larceny Theft	232	207	141	169	140

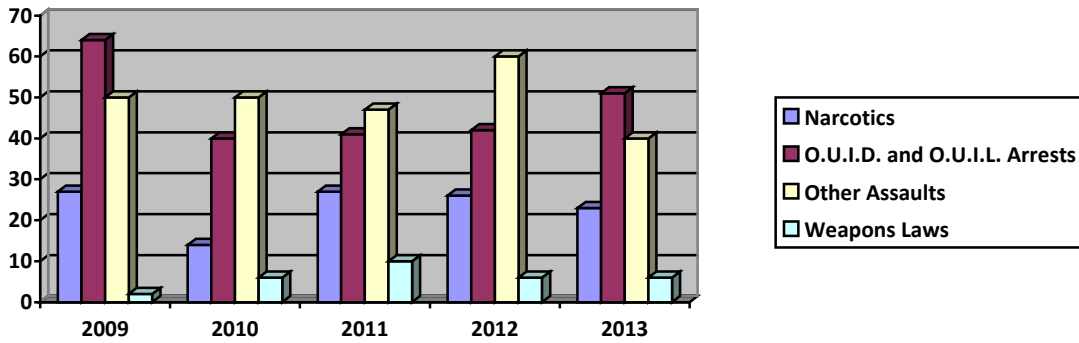

NON-INDEX CRIMES BREAKDOWN

Non-Index offenses encompass all other reportable classifications outside those defined as Index Offenses. Only arrest data involving the Non-Index offenses are reported to the FBI.

These include the crimes of:

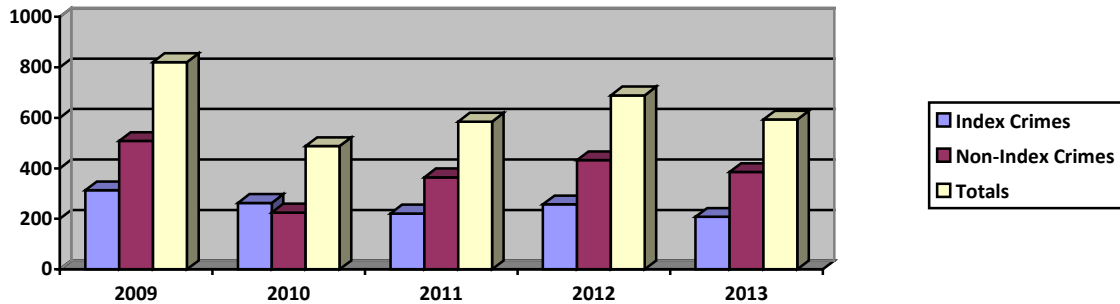

- **Curfew and Loitering Laws (persons under 18)**
- **Disorderly Conduct**
- **Driving Under the Influence of Alcohol**
- **Drug Abuse Violations**
- **Drunkenness**
- **Embezzlement**
- **Forgery and Counterfeiting**
- **Fraud**
- **Gambling**
- **Liquor Laws**
- **Offenses Against the Family and Children**
- **Other Assaults**
- **Prostitution and Commercialized Vice**
- **Runaways (persons under 18)**
- **Sex Offenses**
- **Stolen Property: Buying, Receiving, Possessing**
- **Suspicion**
- **Vandalism**
- **Weapons: Carrying, Possessing, etc...**
- **All Other Offenses**

NON-INDEX CRIMES TOTALS

	2009	2010	2011	2012	2013
Narcotics	27	14	27	26	23
O.U.I.L and O.U.I.D. Arrests	64	40	41	42	51
Other Assaults	50	50	47	60	40
Weapons Laws	2	6	10	6	6

INDEX AND NON-INDEX CRIMES TOTALS

	2009	2010	2011	2012	2013
Index Crimes	313	263	221	257	208
Non-Index Crimes	508	225	364	432	385
Totals	821	488	585	689	593

The 593 Index and Non-Index crimes reported this year represents a 14 percent decrease from last year. The five-year average is 635 Index and Non-Index crimes.

MOVING AND METER VIOLATIONS

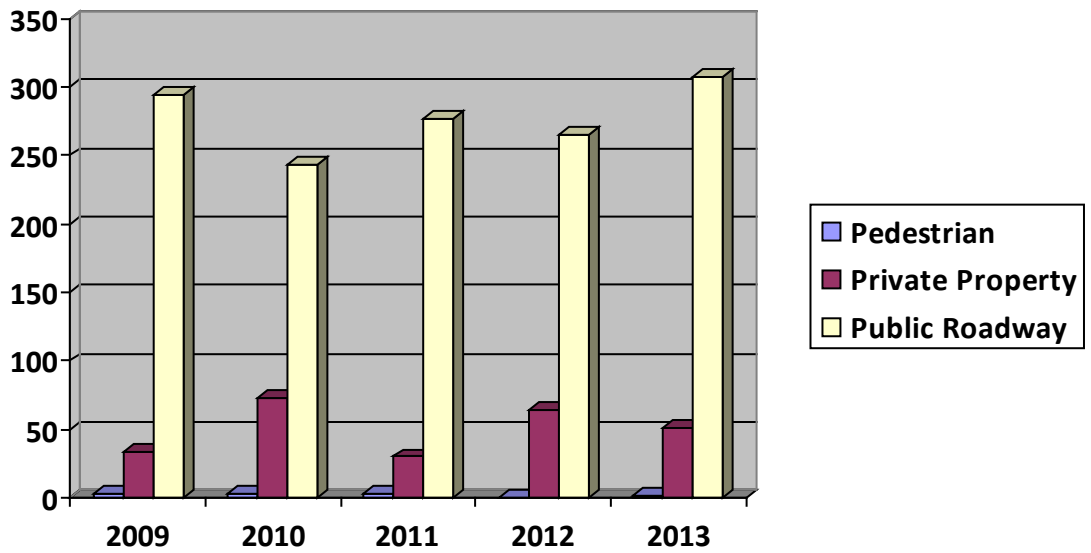

Using computers, updated radars, preliminary breath instruments, and the Cogent Blue Check device in the patrol vehicles, the Public Safety Department continues to enforce traffic violations in the most effective manner possible.

	2009	2010	2011	2012	2013
Meter Violations	6903	5868	5551	5837	5333
Moving Violations	5106	3146	3182	1986	1883

TRAFFIC AND PEDESTRIAN ACCIDENTS

The statistics below include figures for private property accidents which are not required to be reported by State law. The State of Michigan, for reporting purposes, does not include or record private property accidents. These types of accident reports are taken as a courtesy to citizens.

	2009	2010	2011	2012	2013
Pedestrian	3	3	3	0	2
Private Property	33	73	30	64	51
Public Roadway	295	244	277	265	308

There were no fatalities in 2013.

ARREST TOTALS 2009 - 2013

The five year average is 490 arrests per year.

Arrests increased from last year by 4.76 percent.

TOTAL INCIDENTS 2009 - 2013

Since the utilization of CLEMIS, the Department has been able to successfully capture crime statistics on a grand scale. This valuable resource continues to enhance Department operations with its ease of use and impressive capability.

The Department responded to 10,577 calls for service last year.

The five-year average is 12,213 calls for service.
