

CITY OF GROSSE POINTE WOODS
20025 Mack Plaza Drive
Grosse Pointe Woods, Michigan 48236-2397

NOTICE TO RESIDENTS

Preparations will begin to remove and replace deteriorated concrete street patches in your area. We apologize for any inconvenience and ask for your cooperation. During the day from the hours of 7:30 am to 7:00 pm we ask that you do not park your vehicles in the street if you see construction in your area.

The proposed concrete areas in the street will be sufficiently barricaded. You must not drive within these areas until the barricades have been removed. This will be approximately seven (7) days after the placement of new concrete.

If your driveway approach is removed and replaced, we ask that you do not drive on this newly placed concrete until the barricades are removed. A barricade will be placed at each affected driveway. The City is not responsible for any damage to a new approach should a homeowner remove a barricade and drive over the approach before it has fully cured. During this time, if it is necessary to park in the street overnight, we recommend that you contact the Department of Public Safety at (313) 343-2400 to provide vehicle identification.

If you have any questions or concerns please feel free to contact any of the following:

- **CONTRACTOR**
Mattioli Cement
(313) 215-1003
- **CONSULTING ENGINEERING FIRM**
Anderson, Eckstein and Westrick, Inc.
Frank Varicalli, Project Manager
(586) 726-1234, ext. 136
- **CITY OF GROSSE POINTE WOODS**
Department of Public Works
(313) 343-2460

Your cooperation during construction will assist in expediting this project and will be greatly appreciated.
