RE: Roslyn Road Construction Update

Dear Resident:

The contractor has been transferring water services onto the temporary water main over the past week. Due to the wet weather, the contractor is anticipated to begin fusing the sections of new water main on Monday, October 23. Once the water main is fused, the contractor will install it via pipe bursting.

When the fusing begins, the newly fused segments of pipe will be laid along the north side gutter of Roslyn Road east of Charlevoix. Due to the length of the fused segments, a number of driveways on the north side of Roslyn just east of Charlevoix will be blocked. **If your driveway will be affected, please make sure to remove your vehicles by 7:00 a.m. on Monday, October 23.**

In order to promote safe and timely construction activity, please kindly refrain from all on-street parking between Charlevoix and Marter until the construction has progressed to the next block.

Additionally, due to the construction, the city will be unable to pickup leaves from the north side of the road. Please either place your leaves in bags or blow them to the south side of the road for pickup.

As always, we apologize for any inconvenience this may create, and we appreciate your patience and understanding during construction.

GENERAL CONSIDERATIONS

Please place garbage, recycling and brush curbside by 7:00 a.m. as normal. Pickup will continue as normal until otherwise notified.

Please note, the contractor is responsible to maintain access for emergency vehicles throughout construction. However, in order to reduce the potential for incidents, the Public Safety Department has asked to please refrain from using fire pits and chimneys during construction.

If you have any concerns or special needs during construction, please contact the onsite representative from the City's Consultant Anderson, Eckstein and Westrick, Inc. (AEW). Questions regarding construction operations should be directed to the attention of AEW at (586) 726-1234. Please direct any other questions to the Department of Public Works (313) 343-2460.

Very truly yours,

CITY OF GROSSE POINTE WOODS

Jim Kowalski, Director of Public Services
