RE: Roslyn Road Construction Update

Dear Resident:

The contractor has been working on removals and is planning to work on Saturday. Weather permitting, the contractor is scheduled to pave the new concrete curb and gutter on Monday, April 29. This means the contractor will begin placing and grading the new gravel base for the curb and gutter on Tuesday, April 24. Once the contractor begins placing and preparing the stone, affected residents will no longer have vehicular access to driveways. If your home is affected by the new curb and gutter work, please remove your vehicles from driveways by 7:00 a.m. on Tuesday morning.

Once the gravel base is completed, the contractor will pave the new curb and gutter. Following the placement of curb and gutter, the contractor will prepare and pave the new drive approaches. Once the drive approaches are paved, the new concrete will cure for up to 7 days before they can be opened to vehicle traffic.

In the event that your vehicle is displaced overnight and you have to park on adjacent streets, it is recommended that you place a piece of paper with your address between your car's sun visor and windshield to assist with the Public Safety as they relax parking enforcement.

As always, we apologize for any inconvenience this may create, and we appreciate your patience and understanding during construction.

GENERAL CONSIDERATIONS

Please place garbage, recycling and brush curbside by 7:00 a.m. as normal. Pickup will continue as normal until otherwise notified.

Please note, the contractor is responsible to maintain access for emergency vehicles throughout construction. However, in order to reduce the potential for incidents, the Public Safety Department has asked to please refrain from using fire pits and chimneys during construction.

If you have any concerns or special needs during construction, please contact the onsite representative from the City's Consultant Anderson, Eckstein and Westrick, Inc. (AEW). Questions regarding construction operations should be directed to the attention of AEW at (586) 726-1234. Please direct any other questions to the Department of Public Works (313) 343-2460.

Very truly yours,

CITY OF GROSSE POINTE WOODS

Jim Kowalski, Director of Public Services
