RE: Roslyn Road Construction Update

Dear Resident:

The contractor has completed the main line new concrete curb and gutter and has continued preparing for the new concrete drive approaches and other miscellaneous concrete. Weather permitting, the contractor will begin paving the new concrete drive approaches today, and continue through next week.

If your driveway is affected, please continue parking on adjacent side streets. It is recommended that you place a piece of paper with your address between your car's sun visor and windshield to assist with the Public Safety as they relax parking enforcement.

As always, we apologize for any inconvenience this may create, and we appreciate your patience and understanding during construction.

GENERAL CONSIDERATIONS

Please place garbage, recycling and brush curbside by 7:00 a.m. as normal. Pickup will continue as normal until otherwise notified.

Please note, the contractor is responsible to maintain access for emergency vehicles throughout construction. However, in order to reduce the potential for incidents, the Public Safety Department has asked to please refrain from using fire pits and chimneys during construction.

If you have any concerns or special needs during construction, please contact the onsite representative from the City's Consultant Anderson, Eckstein and Westrick, Inc. (AEW). Questions regarding construction operations should be directed to the attention of AEW at (586) 726-1234. Please direct any other questions to the Department of Public Works (313) 343-2460.

Very truly yours,

CITY OF GROSSE POINTE WOODS

Jim Kowalski, Director of Public Services
