RE: Roslyn Road Construction Update

Dear Resident:

The contractor has completed replacing the drive approaches and much of the sidewalk over the past week. The remainder of the concrete work will be completed once the drive approaches have been opened. The contractor has also begun grading and preparing the space behind the back of curb for restoration. The grading and restoration is expected to continue through the next couple weeks.

Once the work behind the back of curb is completed and restored, the Contractor will complete the remainder of the pavement work which includes asphalt milling, placing paving fabric, and paving the new asphalt surface. Weather permitting, this work is anticipated to take place in early June.

As always, we apologize for any inconvenience this may create, and we appreciate your patience and understanding during construction.

GENERAL CONSIDERATIONS

Please place garbage, recycling and brush curbside by 7:00 a.m. as normal. Pickup will continue as normal until otherwise notified.

Please note, the contractor is responsible to maintain access for emergency vehicles throughout construction. However, in order to reduce the potential for incidents, the Public Safety Department has asked to please refrain from using fire pits and chimneys during construction.

If you have any concerns or special needs during construction, please contact the onsite representative from the City's Consultant Anderson, Eckstein and Westrick, Inc. (AEW). Questions regarding construction operations should be directed to the attention of AEW at (586) 726-1234. Please direct any other questions to the Department of Public Works (313) 343-2460.

Very truly yours,

CITY OF GROSSE POINTE WOODS

Jim Kowalski, Director of Public Services
